The Committee on General Government Appropriations (Baker)
recommended the following amendment:

Senate Amendment (with title amendment)

On page 1, line 14, through
page 2, line 8, delete those lines

and insert:

Section 1. Subsection (5) is added to section 373.118,
Florida Statutes, to read:

373.118 General permits.--

(5) The department shall adopt by rule one or more
general permits for local governments to construct, operate,
and maintain public marina facilities and public boat ramps,
including associated courtesy docks, and associated parking
facilities located in uplands. Such general permits adopted by
rule shall include provisions to ensure compliance with
subsection (1), with part IV, and with the criteria necessary
to include the general permits in a state programmatic general
permit issued by the United States Army Corps of Engineers
under s. 404 of the Clean Water Act, Pub. L. No. 92-500, as

Bill No. SB 2288

Barcode 932736

1 amended, 33 U.S.C. ss. 1251 et seq. A facility authorized
2 under such general permits is exempt from review as a
3 development of regional impact if the facility complies with
4 the comprehensive plan of the applicable local government.
5 Such facilities must be consistent with the local government
6 manatee protection plan required pursuant to chapter 370 and
7 must obtain Clean Marina Program status prior to opening for
8 operation and maintain that status for the life of the
9 facility. All facilities, including marinas authorized under
10 any such general permit, shall not exceed an area of 50,000
11 square feet over wetlands and other surface waters. The
12 department shall draft and formally propose the rule
13 authorized under this subsection within 60 days after the
14 effective date of this act.
