1 A bill to be entitled

2 An act relating to human immunodeficiency

3 virus; amending s. 381.0046, F.S.; increasing

4 the number of HIV and AIDS minority

5 coordinators within the Department of Health;

6 requiring the department to expand its HIV/AIDS

7 prevention efforts in the state's minority

8 communities and establish linkage programs for

9 HIV-positive inmates prior to their release

10 from jail; deleting obsolete provisions;

11 providing an effective date.

12

13 WHEREAS, HIV/AIDS is one of the state's most critical

14 public health challenges, with Florida having the third

15 highest number of AIDS cases in the nation and the second

16 highest number of pediatric AIDS cases, and

17 WHEREAS, minorities, primarily blacks and Hispanics,

18 now constitute 63 percent of the more than 99,000 adult and

19 pediatric AIDS cases reported in Florida since the epidemic

20 began in 1981, and

21 WHEREAS, the HIV/AIDS epidemic has disproportionately

22 affected Florida's minority communities, and

23 WHEREAS, the total medical and related lifetime costs

24 for a patient infected with HIV may reach \$175,000 or more,

25 and

26 WHEREAS, the Legislature finds that sustained,

27 comprehensive prevention efforts can have a substantial impact

28 on slowing the course of the HIV/AIDS epidemic, and

29 WHEREAS, the Legislature intends to decrease the number

30 of deaths of minorities due to HIV/AIDS by increasing public

31 awareness, increasing early detection and treatment of

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

1 HIV/AIDS in the state's minority communities, and increasing
2 the coordination of HIV/AIDS prevention and treatment efforts
3 in the state's minority communities, and

4 WHEREAS, the prevalence of HIV/AIDS in the state's
5 jails exceeds the prevalence of HIV/AIDS in the general
6 population, and

7 WHEREAS, recent advances in treatment for HIV/AIDS can
8 potentially reduce the number of opportunistic infections and
9 associated medical costs and delay the onset of death due to
10 the disease, and

11 WHEREAS, referral to appropriate medical and social
12 services upon the release of an inmate can play a crucial role
13 in treatment, care, and secondary prevention efforts, and

14 WHEREAS, the Legislature authorized the creation of the
15 Minority HIV and AIDS Task Force to provide recommendations on
16 strategies to strengthen HIV/AIDS prevention, early
17 intervention, and treatment efforts in Florida's minority
18 communities, NOW, THEREFORE,

19
20 Be It Enacted by the Legislature of the State of Florida:

21
22 Section 1. Section 381.0046, Florida Statutes, is
23 amended to read:

24 381.0046 Statewide HIV and AIDS prevention campaign.--

25 (1) The Department of Health shall develop and
26 implement a statewide HIV and AIDS prevention campaign that is
27 directed towards minorities who are at risk of HIV infection.
28 The campaign shall include television, radio, and outdoor
29 advertising; public service announcements; and peer-to-peer
30 outreach. Each campaign message and concept shall be evaluated
31 with members of the target group to ensure its effectiveness.

1 The campaign shall provide information on the risk of HIV and
2 AIDS infection and strategies to follow for prevention, early
3 detection, and treatment. The campaign shall use culturally
4 sensitive literature and educational materials and promote the
5 development of individual skills for behavior modification.

6 The campaign shall be expanded to include prevention
7 information specifically targeted to the state's Hispanic and
8 Haitian communities.

9 (2) The Department of Health shall establish eight
10 ~~four~~ positions within the department for HIV and AIDS regional
11 minority coordinators and one position for a statewide HIV and
12 AIDS minority coordinator. The coordinators shall facilitate
13 statewide efforts to implement and coordinate HIV and AIDS
14 prevention and treatment programs. The statewide coordinator
15 shall report directly to the chief of the Bureau of HIV and
16 AIDS within the Department of Health.

17 (3) The Department of Health shall provide HIV/AIDS
18 outreach programs in the state's minority communities to
19 identify persons infected with HIV/AIDS. These programs shall
20 address real and perceived barriers to HIV testing among the
21 state's minority populations. The Department of Health shall,
22 ~~with assistance from the Minority HIV and AIDS Task Force and~~
23 ~~the statewide coordinator, plan and conduct a statewide Black~~
24 ~~Leadership Conference on HIV and AIDS by January 2000. The~~
25 ~~conference shall provide workshops for minority organizations~~
26 ~~in building skills and improving an organization's capacity to~~
27 ~~conduct HIV and AIDS prevention and treatment programs.~~

28 (4) The department shall provide a program to ensure
29 that HIV-positive persons are linked with prevention, care,
30 and support services. This program shall be provided in a
31 culturally sensitive manner to promote prevention among

1 persons who are HIV positive and increase the acceptance and
2 delivery of care and support services in high-risk
3 communities.

4 (5) The department shall expand testing programs for
5 HIV, sexually transmissible diseases, and hepatitis in local
6 county jails. The department shall establish programs for
7 HIV-positive inmates to ensure coordination and linkage to
8 treatment and secondary prevention messages upon their
9 release.

10 (6) To promote HIV testing among minority persons who
11 are at risk of infection, the department shall expand its HIV
12 counseling, testing, and referral services.

13 (7) These minority programs shall be consistent with
14 the findings and recommendations of the Minority HIV and AIDS
15 Task Force, the HIV/AIDS Comprehensive Prevention Plan, and
16 the recommendations of the Centers for Disease Control and
17 Prevention.

18 Section 2. This act shall take effect upon becoming a
19 law.
