The Committee on Transportation (Bennett) recommended the following amendment:

**Senate Amendment**

On page 1, line 22 through page 2, line 10, delete those lines

and insert: the department, one member chosen by the contractor and one member agreed upon by the other two. Proceedings of a dispute review board are open to the public and notice must be given to the local jurisdiction in which the contract work is performed. The board shall review the contract and any documentation relating to the contract and may hear testimony from any party to the contact or from the local jurisdiction in which the contract work is performed. If the parties do not accept the recommendation of the board, the dispute shall proceed to arbitration under s. 337.185.
