SB 2496

1 (1) After approval of a community redevelopment plan, 2 there shall be established for each community redevelopment agency created under s. 163.356 a redevelopment trust fund. 3 Funds allocated to and deposited into this fund shall be used 4 by the agency to finance or refinance any community 5 б redevelopment it undertakes pursuant to the approved community 7 redevelopment plan. No community redevelopment agency may 8 receive or spend any increment revenues pursuant to this section unless and until the governing body has, by ordinance, 9 provided for the funding of the redevelopment trust fund for 10 the duration of a community redevelopment plan. Such ordinance 11 12 may be adopted only after the governing body has approved a 13 community redevelopment plan. The annual funding of the redevelopment trust fund shall be in an amount not less than 14 that increment in the income, proceeds, revenues, and funds of 15 each taxing authority derived from or held in connection with 16 17 the undertaking and carrying out of community redevelopment 18 under this part. Such increment shall be determined annually and shall be that amount equal to 95 percent of the difference 19 between: 20

21 (a) The amount of ad valorem taxes levied each year by 22 each taxing authority, exclusive of any amount from any debt 23 service millage, on taxable real property contained within the geographic boundaries of a community redevelopment area; and 2.4 (b) The amount of ad valorem taxes which would have 25 been produced by the rate upon which the tax is levied each 26 27 year by or for each taxing authority, exclusive of any debt 2.8 service millage, upon the total of the assessed value of the 29 taxable real property in the community redevelopment area as shown upon the most recent assessment roll used in connection 30 with the taxation of such property by each taxing authority 31

The 18 alternatives must be specified in interlocal agreements between the county, municipality, and other affected local 19 governments. The cost of a funding alternative is a direct 20 21 credit toward the tax increment financing obligation of the local government. Each funding alternative must ensure 22 23 adequate and timely distribution of payments necessary for the community redevelopment agency to function efficiently and 2.4 effectively and meet any bond obligation of the agency. 25 (3)(2)(a) Except for the purpose of funding the trust 26 27 fund pursuant to subsection(4)(3), upon the adoption of an 2.8 ordinance providing for funding of the redevelopment trust fund as provided in this section, each taxing authority shall, 29 by January 1 of each year, appropriate to the trust fund for 30 so long as any indebtedness pledging increment revenues to the 31
