The Committee on Judiciary (Webster) recommended the following amendment:

Senate Amendment

On page 12, line 26, through
page 13, line 10, delete those lines

and insert:

2. Evidence of the exposed person's substantial occupational exposure to asbestos. If a plaintiff files a civil action alleging an asbestos claim that is based upon cancer of the colon, rectum, larynx, pharynx, esophagus, or stomach and that plaintiff alleges that his or her exposure to asbestos was the result of extended contact with another exposed person who, if the civil action had been filed by the other exposed person, would have met the substantial occupational exposure requirement of this subsection, and the plaintiff alleges that he or she had extended contact with the exposed person during the time period in which that exposed person met the substantial occupational exposure requirement of this subsection, the plaintiff has satisfied the
