Senators Smith and Aronberg moved the following amendment:

Senate Amendment (with title amendment)

On page 1, line 19, through
page 2, line 15, delete those lines

and insert:

(1) In any action asserting the right to class action status, the claimant class with capacity to sue shall be limited to residents of this state at the time of the alleged misconduct, except as provided in subsection (2).

(2) Prior to issuance of the certification order, the court may expand a class to include any nonresident whose claim is recognized within the claimant's state of residence and is not time-barred, but whose rights cannot be asserted because the claimant's state of residence lacks personal jurisdiction over the defendant or defendants. In addition, the claimant class may include nonresidents if the conduct giving rise to the claim occurred in or emanated from this state.
