

Amendment No. (for drafter's use only)

CHAMBER ACTION

Senate

House

.
.
.

1 Representative Allen offered the following:

2

3 **Amendment**

4 Remove lines 41-51 and insert:

5 requires a passing score on a valid examination in home
6 inspections which is not less than 80 hours and which includes,
7 but is not limited to, each of the following components of a
8 home: structure, electrical system, roof covering, plumbing
9 system, interior components, exterior components, site
10 conditions that affect the structure, and heating, ventilation,
11 and cooling systems.

12 2. Completes 8 hours of continuing education related to
13 home inspections annually.
