The Committee on Government Efficiency Appropriations
(Haridopolos) recommended the following **amendment to amendment**
(155634):

Senate Amendment

On page 72, line 28, through
page 73, line 29, delete those lines

and insert:

Section 40. Notwithstanding subsection (3) of section 109, chapter 2000-141, Laws of Florida, when the Florida Building Commission updates the Florida Building Code, the commission shall adopt, pursuant to section 553.73, Florida Statutes, as wind protection requirements for areas of the state not within the high velocity hurricane zone, the most current edition of the wind protection requirements of the American Society of Civil Engineers, Standard 7, as implemented by the International Building Code. This section is intended to explicitly supersede only the first sentence of subsection (3) of section 109, chapter 2000-141, Laws of Florida.
