The Committee on Governmental Oversight and Productivity  
(Alexander) recommended the following **amendment to amendment**  
(550866):

**Senate Amendment**

On page 38, between lines 16 and 17,

insert:

(e) An overall assessment of the progress being made to develop water supply in each district, including but not limited to an explanation of how each project, either alternative or traditional, will produce, contribute to or account for additional water being made available for consumptive uses, an estimate of the quantity of water to be produced by each project, and an assessment of the contribution of the district's regional water supply plan in providing sufficient water to meet the needs of existing and future reasonable-beneficial uses for a one-in-ten year drought event as well as the needs of the natural systems.
