The Committee on Ways and Means (Pruitt) recommended the following amendment:

Senate Amendment

On page 32, line 20 through page 33, line 5, delete those lines

and insert:

(j) For each utility that receives financial assistance from the state or a water management district for an alternative water supply project, the water management district shall require the appropriate rate setting authority to develop rate structures for water customers in the service area of the funded utility that will:

- 1. Promote conservation of water; and
- 2. Promote the use of water from alternative water supplies.
