The Committee on Transportation (Margolis) recommended the following **substitute for amendment to amendment** (392828):

Senate Amendment (with title amendment)

On page 4, between lines 1 and 2,

insert:

Section 3. Section 316.092, Florida Statutes, is created to read:

316.092 Use of limited access facility shoulder by public transit buses.--In coordination with the Florida Department of Transportation and the appropriate entities that have jurisdiction of the roadway facility, public transit buses shall be authorized to operate on the shoulder of a limited access facility only when main line traffic speeds are less than 35 miles per hour. Drivers of buses being operated on the shoulder may not exceed the speed of main line traffic by more than 15 miles per hour and may never exceed 35 miles per hour. Drivers of buses being operated on the shoulder must yield to merging, entering and exiting traffic and must yield to other vehicles on the shoulder. Buses authorized to use the
