The Committee on Environmental Preservation (Argenziano)
recommended the following amendment:

Senate Amendment

On page 9, line 3, through page 10, line 13 delete
those lines

and insert:

(17) The board of directors and officers of the
corporation are responsible for the prudent use of all public
and private funds that the corporation controls and must
ensure that the use of such funds is in accordance with
applicable laws, bylaws, and contractual requirements. An
employee of the corporation may not receive compensation for
employment which exceeds the salary paid to the Governor,
unless the board of directors and the employee have executed a
contract that prescribes specific, measurable performance
outcomes for the employee, the satisfaction of which provides
the basis for the award of incentive payments that increase
the employee's total compensation to a level above the salary
paid to the Governor.

1 (18) The credit of the State of Florida may not be
2 pledged on behalf of the corporation.

3 (19) In addition to any indemnification available
4 under chapter 617, Florida Statutes, the corporation may
5 indemnify, and purchase and maintain insurance on behalf of,
6 its directors, officers, employees, or working-group members
7 against personal liability or accountability for actions taken
8 within the scope of their employment or authority.

9 (20) By December 1 each year, the corporation must
10 submit an annual report to the Governor, the President of the
11 Senate, the Speaker of the House of Representatives, and the
12 chairman of the State Board of Education containing:

13 (a) A detailed description of the corporation's
14 activities and accomplishments for the year.

15 (b) An annual financial accounting of resources and
16 expenditures prepared by an independent certified public
17 accountant.

18 (c) A statement of the strategic priorities of the
19 corporation and their use in guiding resource allocations.

20 (d) Any recommendations the corporation has for action
21 by the Legislature or by the agencies of state, county, or
22 municipal governments to foster research concerning, or
23 development or deployment of, alternative energy technology.
