4 On page 2, remove lines 21-29,
5 and insert:

6 This paragraph does not require an insurer to directly reimburse
7 a certified surgical first assistant if the certified surgical
8 first assistant is paid or will be paid for a surgical procedure
9 by the health care facility at which the surgical procedure is
10 performed. The physician to whom the certified surgical first
11 assistant is directly accountable may be responsible for any
12 acts or omissions of the certified surgical first assistant.
