.

1 Representative(s) Benson offered the following:

2

3 **Amendment**

4 Remove line(s) 1858 and insert:

5 5. By September 30, 2005, the agency shall contract with  
6 an entity to design a database of clinical utilization  
7 information or electronic medical records for Medicaid  
8 providers. This system must be web-based and allow providers to  
9 review on a real-time basis the utilization of Medicaid  
10 services, including, but not limited to, physician office  
11 visits, inpatient and outpatient hospitalizations, laboratory  
12 and pathology services, radiological and other imaging services,  
13 dental care, and patterns of dispensing prescription drugs in  
14 order to coordinate care and identify potential fraud and abuse.
