5 1. The agency may set standards for pharmacy benefits for
6 managed care plans and specify the therapeutic classes of
7 pharmacy benefits to enable a plan to coordinate and fully
8 manage all aspects of patient care as part of the plan or
9 through a pharmacy benefits manager.

10 2. Each plan shall implement a pharmacy fraud, waste, and
11 abuse initiative that may include a surety bond or letter of
12 credit requirement for participating pharmacies, enhanced
13 provider auditing practices, the use of additional fraud and
14 abuse software, recipient management programs for recipients
15 inappropriately using their benefits, and other measures to

16 reduce provider and recipient fraud, waste, and abuse. The
17 initiative shall address enforcement efforts to reduce the
18 number and use of counterfeit prescriptions.

19 3. The agency shall require plans to report incidences of
20 pharmacy fraud and abuse and establish procedures for receiving
21 and investigating fraud and abuse reports from plans in the
22 demonstration project sites. Plans must report instances of
23 fraud and abuse pursuant to chapter 641, Florida Statutes.

24 4. The agency may facilitate the establishment of a
