

Amendment No. (for drafter's use only)

CHAMBER ACTION

Senate

House

.
.
.

1 Representative(s) Benson offered the following:

2
3 **Amendment to Amendment (317791)**

4 Between line(s) 247 and 248, insert:

5 1. Mandatory and optional services as delineated in ss.
6 409.905 and 409.906, Florida Statutes, may vary in amount,
7 duration, and scope based on actuarial analysis and
8 determination of service utilization among a categorical or
9 predetermined risk group served by the plan.

10 2. A plan shall provide all mandatory and optional
11 services as delineated in ss. 409.905 and 409.906, Florida
12 Statutes, to a level of amount, duration, and scope based on the
13 actuarial analysis and corresponding capitation rate.
14 Contractual stipulations for each risk or categorical group
15 shall not vary among plans.

Amendment No. (for drafter's use only)

16 3. A plan shall be at risk for all services as defined in
17 this section needed by a recipient up to a monetary catastrophic
18 threshold pursuant to this section.

19 4. Catastrophic coverage pursuant to this section shall
20 not release the plan from continued care management of the
21 recipient and providing other services as stipulated in the
22 contract with the agency.
