Amendment No. (for drafter's use only)

15 determining the annual allocation to each district for
16 operation:

17 (i) Calculation of full-time equivalent membership with
18 respect to dual enrollment instruction ~~from community colleges~~
19 ~~or state universities.~~--Students enrolled in community college
20 or university dual enrollment instruction pursuant to s.
21 1007.271 may be included in calculations of full-time equivalent
22 student memberships for basic programs for grades 9 through 12
23 by a district school board. Dual enrollment instruction of high
24 school students that is eligible for high school and
25 postsecondary credit shall be reported by the school district in
26 an amount equal to the hours of instruction that would be
27 necessary to earn the FTE and the funding for the equivalent
28 course if it were taught in the school district. Such students
29 may also be calculated as the proportional shares of full-time
30 equivalent enrollments they generate for a ~~the~~ community college
31 or university conducting the dual enrollment instruction. Early
32 admission students shall be considered dual enrollments for
33 funding purposes. Students may be enrolled in dual enrollment
34 instruction provided by an eligible independent college or
35 university and may be included in calculations of full-time
36 equivalent student memberships for basic programs for grades 9
37 through 12 by a district school board. However, those provisions
38 of law which exempt dual enrolled and early admission students
39 from payment of instructional materials and tuition and fees,
40 including laboratory fees, shall not apply to students who
41 select the option of enrolling in an eligible independent
