16 determining the annual allocation to each district for
17 operation:

18 (i) Calculation of full-time equivalent membership with
19 respect to dual enrollment instruction ~~from community colleges~~
20 ~~or state universities.~~--Students enrolled in community college
21 or university dual enrollment instruction pursuant to s.
22 1007.271 may be included in calculations of full-time equivalent
23 student memberships for basic programs for grades 9 through 12
24 by a district school board. Dual enrollment instruction of high
25 school students that is eligible for high school and
26 postsecondary credit shall be reported by the school district in
27 an amount equal to the hours of instruction that would be
28 necessary to earn the FTE for the equivalent course if it were
29 taught in the school district. Such students may also be
30 calculated as the proportional shares of full-time equivalent
31 enrollments they generate for a ~~the~~ community college or
32 university conducting the dual enrollment instruction. Early
33 admission students shall be considered dual enrollments for
34 funding purposes. Students may be enrolled in dual enrollment
35 instruction provided by an eligible independent college or
36 university and may be included in calculations of full-time
37 equivalent student memberships for basic programs for grades 9
38 through 12 by a district school board. However, those provisions
39 of law which exempt dual enrolled and early admission students
40 from payment of instructional materials and tuition and fees,
41 including laboratory fees, shall not apply to students who
42 select the option of enrolling in an eligible independent
