SUMMARY ANALYSIS

HB 681 requires the Department of Highway Safety and Motor Vehicles (DHSMV), to include a check-off for a voluntary \$1.00 contribution to Southeastern Guide Dogs, Inc. on each motor vehicle registration and renewal form. Southeastern Guide Dogs, Inc. has completed the statutory requirements authorizing it to seek Legislative enactment of the voluntary contribution check-off.

Currently, the motor vehicle registration and registration renewal form contains four voluntary contribution check-offs. They include:

- \$5.00 for the Election Campaign Financing Trust Fund;
- \$1.00 for the Transportation Disadvantaged Trust Fund;
- \$1.00 for Prevent Blindness Florida; and
- An unspecified amount for Florida Mothers Against Drunk Driving, Inc.

The required \$10,000 fee provided by the Southeaster Guide Dogs, Inc, will defray DHSMV's programming costs associated with the development of the motor vehicle registration and renewal application check-off. The amount of contributions that may be collected for this organization is unknown.

This act will take effect July 1, 2005.

Section 320.023, F.S., provides a procedure an organization must follow prior to seeking Legislative authorization to establish a voluntary check-off on a motor vehicle registration application. Before the organization is eligible, it must submit to DHSMV at least 90 days before the convening of the Regular Session of the Legislature:

- A request for the particular voluntary contribution being sought, describing it in general terms;
- An application fee of up to \$10,000 to defray DHSMV's costs for reviewing the application and developing the check-off, if authorized; and
- A short and long-term marketing strategy and a financial analysis outlining the anticipated revenues and the planned expenditures of the revenues to be derived from the voluntary contributions.

DHSMV must discontinue the check-off if less than \$25,000 has been contributed by the end of the fifth year, or if less than \$25,000 is contributed during any subsequent 5-year period.

Currently, the motor vehicle registration and registration renewal form contains four voluntary contribution check-offs. They include:
