400 surcharges based upon the insured's income may apply to all  
401 enrollees, except those made eligible for coverage by  
402 subparagraph (9)(a)3.

403           3. For the purposes of determining assessments under this  
404 section, the term "health insurance" means any hospital and  
405 medical expense incurred policy, minimum premium plan, stop-loss  
406 coverage, health maintenance organization contract, prepaid  
407 health clinic contract, multiple-employer welfare arrangement  
408 contract, or fraternal benefit society health benefits contract,  
409 whether sold as an individual or group policy or contract. The  
410 term does not include a policy covering medical payment coverage  
411 or personal injury protection coverage in a motor vehicle  
412 policy, coverage issued as a supplement to liability insurance,  
413 or workers' compensation.

414           (b) Sources of additional revenue.--Any deficit incurred  
415 by the plan shall be ~~primarily~~ funded through amounts

416 appropriated by the Legislature from general revenue sources,  
417 including, but not limited to, a portion of the ~~annual growth in~~  
418 existing net insurance premium taxes in an amount not less than  
419 the anticipated losses and reserve requirements for existing  
420 policyholders. The board shall operate the plan in such a manner  
421 that the estimated cost of providing health insurance during any  
422 fiscal year will not exceed total income the plan expects to  
423 receive from policy premiums and funds appropriated by the  
424 Legislature, including any interest on investments. After  
425 determining the amount of funds appropriated to the board for a  
426 fiscal year, the board shall estimate the number of new policies  
427 it believes the plan has the financial capacity to insure during  
428 that year so that costs do not exceed income. The board shall  
429 take steps necessary to ensure that plan enrollment does not  
430 exceed the number of residents it has estimated it has the  
431 financial capacity to insure.

432 (c) In the event of inadequate funding, the board may  
433 cancel existing policies on a nondiscriminatory basis as  
434 necessary to remedy the situation. No policy may be canceled if  
435 a covered individual is currently making a claim.

436 (20) PROVIDER REIMBURSEMENT.--Notwithstanding any other  
437 provision of law, the maximum reimbursement rate to health care  
438 providers for all covered, medically necessary services shall be  
439 100 percent of Medicare's allowed payment amount for that  
440 particular provider and service. All licensed providers in this  
441 state shall accept assignment of plan benefits and consider the  
442 Medicare allowed payment amount as payment in full. By no later

Amendment No. (for drafter's use only)

443 than December 1, 2005, the board shall update the actuarial  
444 study required by s. 627.64872(6), to include the impact of  
445 alternative methods of actuarially sound risk adjusted provider  
446 reimbursement methodologies, including capitated prepaid  
447 arrangements, that take into account such factors as age, sex,  
448 geographic variations, case mix, and access to specialty medical  
449 care. The board shall submit the updated actuarial study to the  
450 Governor, the President of the Senate, and the Speaker of the  
451 House no later than December 1, 2005.

452 Section 8. Section 627.65626, Florida Statutes, is amended  
453 to read:

454 627.65626 Insurance rebates for healthy lifestyles.--

455 (1) Any rate, rating schedule, or rating manual for a  
456 health insurance policy, which provides creditable coverage as  
457 defined in s. 627.6561(5), filed with the office shall provide  
458 for an appropriate rebate of premiums paid in the last policy  
459 year, contract year, or calendar year when the majority of  
460 members of a health plan have enrolled and maintained  
461 participation in any health wellness, maintenance, or  
462 improvement program offered by the group policyholder and the  
463 health plan ~~employer~~. The rebate may be based upon premiums paid  
464 in the last calendar year or policy year. The group ~~employer~~  
465 must provide evidence of demonstrative maintenance or  
466 improvement of the enrollees' health status as determined by  
467 assessments of agreed-upon health status indicators between the  
468 policyholder ~~employer~~ and the health insurer, including, but not  
469 limited to, reduction in weight, body mass index, and smoking

470 cessation. Any rebate provided by the health insurer is presumed  
471 to be appropriate unless credible data demonstrates otherwise or  
472 unless such rebate program requires the insured to incur costs  
473 to qualify for the rebate which equal or exceed the value of the  
474 rebate, but in no event shall the rebate not exceed 10 percent  
475 of paid premiums.

476 (2) The premium rebate authorized by this section shall be  
477 effective for an insured on an annual basis unless the number of  
478 participating employees or members on the policy renewal  
479 anniversary becomes less than the majority of the employees or  
480 members eligible for participation in the wellness program.

481 (3) The program shall be available for all policies issued  
482 on or after July 1, 2005.

483 Section 9. Paragraphs (d) and (j) of subsection (5) of  
484 section 627.6692, Florida Statutes, are amended to read:

485 627.6692 Florida Health Insurance Coverage Continuation  
486 Act.--

487 (5) CONTINUATION OF COVERAGE UNDER GROUP HEALTH PLANS.--

488 (d)1. A qualified beneficiary must give written notice to  
489 the insurance carrier within 63 ~~30~~ days after the occurrence of  
490 a qualifying event. Unless otherwise specified in the notice, a  
491 notice by any qualified beneficiary constitutes notice on behalf  
492 of all qualified beneficiaries. The written notice must inform  
493 the insurance carrier of the occurrence and type of the  
494 qualifying event giving rise to the potential election by a  
495 qualified beneficiary of continuation of coverage under the  
496 group health plan issued by that insurance carrier, except that

497 in cases where the covered employee has been involuntarily  
498 discharged, the nature of such discharge need not be disclosed.  
499 The written notice must, at a minimum, identify the employer,  
500 the group health plan number, the name and address of all  
501 qualified beneficiaries, and such other information required by  
502 the insurance carrier under the terms of the group health plan  
503 or the commission by rule, to the extent that such information  
504 is known by the qualified beneficiary.

505 2. Within 14 days after the receipt of written notice  
506 under subparagraph 1., the insurance carrier shall send each  
507 qualified beneficiary by certified mail an election and premium  
508 notice form, approved by the office, which form must provide for  
509 the qualified beneficiary's election or nonelection of  
510 continuation of coverage under the group health plan and the  
511 applicable premium amount due after the election to continue  
512 coverage. This subparagraph does not require separate mailing of  
513 notices to qualified beneficiaries residing in the same  
514 household, but requires a separate mailing for each separate  
515 household.

516 (j) Notwithstanding paragraph (b), if a qualified  
517 beneficiary in the military reserve or National Guard has  
518 elected to continue coverage and is thereafter called to active  
519 duty and the coverage under the group plan is terminated by the  
520 beneficiary or the carrier due to the qualified beneficiary  
521 becoming eligible for TRICARE (the health care program provided  
522 by the United States Defense Department), the 18-month period or  
523 such other applicable maximum time period for which the

525 coverage is tolled during the time that he or she is covered  
526 under the TRICARE program. Within 63 ~~30~~ days after the federal  
527 TRICARE coverage terminates, the qualified beneficiary may elect  
528 to continue coverage under the group health plan, retroactively  
529 to the date coverage terminated under TRICARE, for the remainder  
530 of the 18-month period or such other applicable time period,  
531 subject to termination of coverage at the earliest of the  
532 conditions specified in paragraph (b).

533 Section 10. Paragraph (a) of subsection (4), paragraph (c)  
534 of subsection (5), and paragraphs (b) and (j) of subsection (11)  
535 of section 627.6699, Florida Statutes, are amended, and  
536 paragraph (o) is added to subsection (11) of said section, to  
537 read:

538 627.6699 Employee Health Care Access Act.--

539 (4) APPLICABILITY AND SCOPE.--

540 (a)1. This section applies to a health benefit plan that  
541 provides coverage to employees of a small employer in this  
542 state, unless the coverage policy is marketed directly to the  
543 individual employee, and the employer does not contribute  
544 directly or indirectly to participate in the collection or  
545 distribution of premiums or facilitate the administration of the  
546 coverage policy in any manner. For the purposes of this  
547 subparagraph, an employer shall not be deemed to be contributing  
548 to the premiums or facilitating the administration of coverage  
549 if the employer does not contribute towards the premium and  
550 merely collects the premiums for such coverage from an

551 employee's wages or salary through payroll deduction and submits  
552 payment for the premiums of one or more employees in a lump sum  
553 to a carrier.

554 2. A carrier authorized to issue group or individual  
555 health benefit plans under chapter 627 or chapter 641 may offer  
556 coverage as described in this subparagraph to individual  
557 employees without being subject to this section if the employer  
558 has not had a group health benefit plan in place in the prior 6  
559 months. A carrier authorized to issue group or individual health  
560 benefit plans under chapter 627 or chapter 641 may offer  
561 coverage as described in this subparagraph to employees that are  
562 not eligible employees as defined in this section, whether or  
563 not the small employer has a group health benefit plan in place.  
564 A carrier that offers coverage as described in this subparagraph  
565 must provide a cancellation notice to the primary insured at  
566 least 10 days prior to canceling the coverage for nonpayment of  
567 premium.

568 (5) AVAILABILITY OF COVERAGE.--

569 (c) Every small employer carrier must, as a condition of  
570 transacting business in this state:

571 1. Offer and issue all small employer health benefit plans  
572 on a guaranteed-issue basis to every eligible small employer,  
573 with 2 to 50 eligible employees, that elects to be covered under  
574 such plan, agrees to make the required premium payments, and  
575 satisfies the other provisions of the plan. A rider for  
576 additional or increased benefits may be medically underwritten  
577 and may only be added to the standard health benefit plan. The

578 increased rate charged for the additional or increased benefit  
579 must be rated in accordance with this section.

580       2. In the absence of enrollment availability in the  
581 Florida Health Insurance Plan, offer and issue basic and  
582 standard small employer health benefit plans and a high  
583 deductible plan that meets the requirements of a health savings  
584 account plan or health reimbursement account as defined by  
585 federal law, on a guaranteed-issue basis, during a 31-day open  
586 enrollment period of August 1 through August 31 of each year, to  
587 every eligible small employer, with fewer than two eligible  
588 employees, which small employer is not formed primarily for the  
589 purpose of buying health insurance and which elects to be  
590 covered under such plan, agrees to make the required premium  
591 payments, and satisfies the other provisions of the plan.  
592 Coverage provided under this subparagraph shall begin on October  
593 1 of the same year as the date of enrollment, unless the small  
594 employer carrier and the small employer agree to a different  
595 date. A rider for additional or increased benefits may be  
596 medically underwritten and may only be added to the standard  
597 health benefit plan. The increased rate charged for the  
598 additional or increased benefit must be rated in accordance with  
599 this section. For purposes of this subparagraph, a person, his  
600 or her spouse, and his or her dependent children constitute a  
601 single eligible employee if that person and spouse are employed  
602 by the same small employer and either that person or his or her  
603 spouse has a normal work week of less than 25 hours. Any right  
604 to an open enrollment of health benefit coverage for groups of

605 fewer than two employees, pursuant to this section, shall remain  
606 in full force and effect in the absence of the availability of  
607 new enrollment into the Florida Health Insurance Plan.

608 3. This paragraph does not limit a carrier's ability to  
609 offer other health benefit plans to small employers if the  
610 standard and basic health benefit plans are offered and  
611 rejected.

612 (11) SMALL EMPLOYER HEALTH REINSURANCE PROGRAM.--

613 (b)1. The program shall operate subject to the supervision  
614 and control of the board.

615 2. Effective upon this act becoming a law, the board shall  
616 consist of the director of the office or his or her designee,  
617 who shall serve as the chairperson, and 13 additional members  
618 who are representatives of carriers and insurance agents and are  
619 appointed by the director of the office and serve as follows:

620 a. Five members shall be representatives of health  
621 insurers licensed under chapter 624 or chapter 641. Two members  
622 shall be agents who are actively engaged in the sale of health  
623 insurance. Four members shall be employers or representatives of  
624 employers. One member shall be a person covered under an  
625 individual health insurance policy issued by a licensed insurer  
626 in this state. One member shall represent the Agency for Health  
627 Care Administration and shall be recommended by the Secretary of  
628 Health Care Administration. ~~The director of the office shall~~  
629 ~~include representatives of small employer carriers subject to~~  
630 ~~assessment under this subsection. If two or more carriers elect~~  
631 ~~to be risk-assuming carriers, the membership must include at~~

632 ~~least two representatives of risk-assuming carriers; if one~~  
633 ~~carrier is risk-assuming, one member must be a representative of~~  
634 ~~such carrier. At least one member must be a carrier who is~~  
635 ~~subject to the assessments, but is not a small employer carrier.~~  
636 ~~Subject to such restrictions, at least five members shall be~~  
637 ~~selected from individuals recommended by small employer carriers~~  
638 ~~pursuant to procedures provided by rule of the commission. Three~~  
639 ~~members shall be selected from a list of health insurance~~  
640 ~~carriers that issue individual health insurance policies. At~~  
641 ~~least two of the three members selected must be reinsuring~~  
642 ~~carriers. Two members shall be selected from a list of insurance~~  
643 ~~agents who are actively engaged in the sale of health insurance.~~

644       b. A member appointed under this subparagraph shall serve  
645 a term of 4 years and shall continue in office until the  
646 member's successor takes office, except that, in order to  
647 provide for staggered terms, the director of the office shall  
648 designate two of the initial appointees under this subparagraph  
649 to serve terms of 2 years and shall designate three of the  
650 initial appointees under this subparagraph to serve terms of 3  
651 years.

652       3. The director of the office may remove a member for  
653 cause.

654       4. Vacancies on the board shall be filled in the same  
655 manner as the original appointment for the unexpired portion of  
656 the term.

Amendment No. (for drafter's use only)

657           ~~5. The director of the office may require an entity that~~  
658 ~~recommends persons for appointment to submit additional lists of~~  
659 ~~recommended appointees.~~

660           (j)1. Before ~~July~~ March 1 of each calendar year, the board  
661 shall determine and report to the office the program net loss  
662 for the previous year, including administrative expenses for  
663 that year, and the incurred losses for the year, taking into  
664 account investment income and other appropriate gains and  
665 losses.

666           2. Any net loss for the year shall be recouped by  
667 assessment of the carriers, as follows:

668           a. The operating losses of the program shall be assessed  
669 in the following order subject to the specified limitations. The  
670 first tier of assessments shall be made against reinsuring  
671 carriers in an amount which shall not exceed 5 percent of each  
672 reinsuring carrier's premiums from health benefit plans covering  
673 small employers. If such assessments have been collected and  
674 additional moneys are needed, the board shall make a second tier  
675 of assessments in an amount which shall not exceed 0.5 percent  
676 of each carrier's health benefit plan premiums. Except as  
677 provided in paragraph (n), risk-assuming carriers are exempt  
678 from all assessments authorized pursuant to this section. The  
679 amount paid by a reinsuring carrier for the first tier of  
680 assessments shall be credited against any additional assessments  
681 made.

682           b. The board shall equitably assess carriers for operating  
683 losses of the plan based on market share. The board shall

751107

4/26/2005 9:09:16 AM

Amendment No. (for drafter's use only)

684 annually assess each carrier a portion of the operating losses  
685 of the plan. The first tier of assessments shall be determined  
686 by multiplying the operating losses by a fraction, the numerator  
687 of which equals the reinsuring carrier's earned premium  
688 pertaining to direct writings of small employer health benefit  
689 plans in the state during the calendar year for which the  
690 assessment is levied, and the denominator of which equals the  
691 total of all such premiums earned by reinsuring carriers in the  
692 state during that calendar year. The second tier of assessments  
693 shall be based on the premiums that all carriers, except risk-  
694 assuming carriers, earned on all health benefit plans written in  
695 this state. The board may levy interim assessments against  
696 carriers to ensure the financial ability of the plan to cover  
697 claims expenses and administrative expenses paid or estimated to  
698 be paid in the operation of the plan for the calendar year prior  
699 to the association's anticipated receipt of annual assessments  
700 for that calendar year. Any interim assessment is due and  
701 payable within 30 days after receipt by a carrier of the interim  
702 assessment notice. Interim assessment payments shall be credited  
703 against the carrier's annual assessment. Health benefit plan  
704 premiums and benefits paid by a carrier that are less than an  
705 amount determined by the board to justify the cost of collection  
706 may not be considered for purposes of determining assessments.

707 c. Subject to the approval of the office, the board shall  
708 make an adjustment to the assessment formula for reinsuring  
709 carriers that are approved as federally qualified health  
710 maintenance organizations by the Secretary of Health and Human

711 Services pursuant to 42 U.S.C. s. 300e(c)(2)(A) to the extent,  
712 if any, that restrictions are placed on them that are not  
713 imposed on other small employer carriers.

714 3. Before ~~July~~ March 1 of each year, the board shall  
715 determine and file with the office an estimate of the  
716 assessments needed to fund the losses incurred by the program in  
717 the previous calendar year.

718 4. If the board determines that the assessments needed to  
719 fund the losses incurred by the program in the previous calendar  
720 year will exceed the amount specified in subparagraph 2., the  
721 board shall evaluate the operation of the program and report its  
722 findings, including any recommendations for changes to the plan  
723 of operation, to the office within 180 ~~90~~ days following the end  
724 of the calendar year in which the losses were incurred. The  
725 evaluation shall include an estimate of future assessments, the  
726 administrative costs of the program, the appropriateness of the  
727 premiums charged and the level of carrier retention under the  
728 program, and the costs of coverage for small employers. If the  
729 board fails to file a report with the office within 180 ~~90~~ days  
730 following the end of the applicable calendar year, the office  
731 may evaluate the operations of the program and implement such  
732 amendments to the plan of operation the office deems necessary  
733 to reduce future losses and assessments.

734 5. If assessments exceed the amount of the actual losses  
735 and administrative expenses of the program, the excess shall be  
736 held as interest and used by the board to offset future losses  
737 or to reduce program premiums. As used in this paragraph, the

751107

Amendment No. (for drafter's use only)

738 term "future losses" includes reserves for incurred but not  
739 reported claims.

740 6. Each carrier's proportion of the assessment shall be  
741 determined annually by the board, based on annual statements and  
742 other reports considered necessary by the board and filed by the  
743 carriers with the board.

744 7. Provision shall be made in the plan of operation for  
745 the imposition of an interest penalty for late payment of an  
746 assessment.

747 8. A carrier may seek, from the office, a deferment, in  
748 whole or in part, from any assessment made by the board. The  
749 office may defer, in whole or in part, the assessment of a  
750 carrier if, in the opinion of the office, the payment of the  
751 assessment would place the carrier in a financially impaired  
752 condition. If an assessment against a carrier is deferred, in  
753 whole or in part, the amount by which the assessment is deferred  
754 may be assessed against the other carriers in a manner  
755 consistent with the basis for assessment set forth in this  
756 section. The carrier receiving such deferment remains liable to  
757 the program for the amount deferred and is prohibited from  
758 reinsuring any individuals or groups in the program if it fails  
759 to pay assessments.

760 (o) The board shall advise the office, the agency, the  
761 department, and other executive and legislative entities on  
762 health insurance issues. Specifically, the board shall:

765 private health insurance market in this state.

766 2. Review and recommend strategies to improve the  
767 functioning of the health insurance markets in this state with a  
768 specific focus on market stability, access, and pricing.

769 3. Make recommendations to the office for legislation  
770 addressing health insurance market issues and provide comments  
771 on health insurance legislation proposed by the office.

772 4. Meet at least three times each year. One meeting shall  
773 be held to hear reports and to secure public comment on the  
774 health insurance market, to develop any legislation needed to  
775 address health insurance market issues, and to provide comments  
776 on health insurance legislation proposed by the office.

777 5. By September 1 each year, issue a report to the office  
778 on the state of the health insurance market. The report shall  
779 include recommendations for changes in the health insurance  
780 market, results from implementation of previous recommendations  
781 and information on health insurance markets.

782 Section 11. Subsection (1) of section 641.27, Florida  
783 Statutes, is amended to read:
