1 nutritional offerings and wellness plans so that the policies
 2 meet the intent and spirit of the law, applicable rules, and
 3 Sunshine State Standards and reflect the local community's
 4 expectations and needs.

5 Section 3. Each public high school that has athletic
 6 facilities or participates in interscholastic sports shall
 7 have an operational defibrillator on the high school grounds.
 8 Public and private partnerships are encouraged to cover the
 9 cost associated with purchase, placement, and training on the
 10 use of the defibrillator.

11 Section 4. Staff Development.--School boards are
 12 encouraged to review the research and best practices regarding
 13 how planned physical movement can foster enhanced learning in
 14 academic subjects. Staff development for physical education
 15 instructors and arts instructors must include content related
 16 to an integrated curriculum, particularly in the areas of
 17 reading, mathematics, arts, fitness-based instruction, and the
 18 connection between movement and learning.
