The Committee on Judiciary (Posey) recommended the following amendment:

Senate Amendment

On page 5, line 31, delete that line

and insert: requesting access; which involve issues relating to a provider's competence, qualifications, and experience, including, but not limited to, substance abuse, allegations or findings of misconduct, or the performance of a procedure or treatment on the wrong part of a patient or on the wrong patient; which involve a facility's experience with issues that are not specific to a patient's condition or treatment, including, but not limited to, infection experiences, medication, radiology, pathology, or anesthesia incidents; or which involve patient supervision and assistance.
