

CHAMBER ACTION

1 The Domestic Security Committee recommends the following:

2
3 **Council/Committee Substitute**

4 Remove the entire bill and insert:

5 A bill to be entitled

6 An act relating to the regulation of airports; amending s.
7 330.30, F.S.; prohibiting the Department of Transportation
8 from renewing or reissuing licenses to certain general
9 aviation airports that fail to develop a security plan;
10 requiring that the plans be consistent with certain
11 published guidelines; requiring certain information in the
12 plans to be submitted to the Department of Law
13 Enforcement; requiring periodic update of the plans;
14 providing an effective date.

15
16 Be It Enacted by the Legislature of the State of Florida:

17
18 Section 1. Paragraph (e) of subsection (2) of section
19 330.30, Florida Statutes, is amended, and paragraph (f) is added
20 to said subsection, to read:

21 330.30 Approval of airport sites; registration and
22 licensure of airports.--

HB 977

2005
CS

23 (2) LICENSES AND REGISTRATIONS; REQUIREMENTS, RENEWAL,
24 REVOCATION.--

25 (e) The department may revoke, or refuse to allow or
26 issue, any airport registration or recertification, or any
27 license or license renewal, if it determines:

- 28 1. That the site has been abandoned as an airport;
- 29 2. That the airport does not comply with the conditions of
30 the license, license renewal, or site approval; ~~or~~
- 31 3. That the airport has become either unsafe or unusable
32 for flight operation due to physical or legal changes in
33 conditions that were the subject of approval; or-
- 34 4. That an airport required to file or update a security
35 plan pursuant to paragraph (f) has failed to do so.

36 (f)1. After initial licensure, a license of a publicly or
37 privately owned general aviation airport that is open to the
38 public, that has at least one runway greater than 4,999 feet in
39 length, and that does not host scheduled passenger-carrying
40 commercial service operations regulated under 14 C.F.R. Part 139
41 shall not be renewed or reissued unless an approved security
42 plan has been filed with the department, except when the
43 department determines that the airport is working in good faith
44 toward completion and filing of the plan.

45 2. Security plans required by this paragraph must be
46 developed in accordance with the 2004 Security Planning for
47 General Aviation Airports guidelines published by the Florida
48 Airports Council. Certain administrative data from the approved
49 security plan shall be submitted to the Department of Law
50 Enforcement, in a format prescribed by the Department of Law

HB 977

2005
CS

51 Enforcement, for use in protecting critical infrastructure of
52 the state.

53 3. The department shall not approve a security plan for
54 filing unless it is consistent with Florida Airports Council's
55 guidelines and it has determined that the plan has been
56 developed appropriately to meet the particular security needs of
57 the airport for which it was created.

58 4. An airport required to file a security plan pursuant to
59 this paragraph shall update its plan at least once every 2 years
60 after the initial filing date and file the updated plan with the
61 department. The department shall review the updated plan prior
62 to approving it for filing to determine whether it has been
63 updated appropriately to meet the particular security needs of
64 the airport. No renewal license shall be issued to the airport
65 unless the department approves the updated security plan or
66 determines that the airport is working in good faith to update
67 it.

68 Section 2. This act shall take effect October 1, 2005.
