19 personal information in third-party possession; administrative  
20 penalties.--

21 (1)(a) Any person who conducts business in this state  
22 and maintains computerized data in a system that includes  
23 personal information shall provide notice of any breach of the  
24 security of the system, following a determination of the  
25 breach, to any resident of this state whose unencrypted  
26 personal information was, or is reasonably believed to have  
27 been, acquired by an unauthorized person. The notification  
28 shall be made without unreasonable delay, consistent with the  
29 legitimate needs of law enforcement, as provided in subsection  
30 (3) and paragraph (10)(a), or subject to any measures  
31 necessary to determine the presence, nature, and scope of the

1 breach and restore the reasonable integrity of the system.  
2 Notification must be made no later than 45 days following the  
3 determination of the breach unless otherwise provided in this  
4 section.

5 (b) Any person required to make notification under  
6 paragraph (a) who fails to do so within 45 days following the

8 enforcement as provided in subsection (3) is liable for an  
9 administrative fine not to exceed \$500,000, as follows:

10 1. In the amount of \$1,000 for each day the breach  
11 goes undisclosed for up to 30 days and, thereafter, \$50,000  
12 for each 30-day period or portion thereof for up to 180 days.

13 2. If notification is not made within 180 days, any  
14 person required to make notification under paragraph (a) who  
15 fails to do so is subject to an administrative fine of up to  
16 \$500,000.

17 (c) The administrative sanctions for failure to notify  
18 provided in this subsection shall not apply in the case of  
19 personal information in the custody of any governmental agency  
20 or subdivision, unless that governmental agency or subdivision  
21 has entered into a contract with a contractor or third-party  
22 administrator to provide governmental services. In such case,  
23 the contractor or third-party administrator shall be a person  
24 to whom the administrative sanctions provided in this  
25 subsection would apply, although such contractor or  
26 third-party administrator found in violation of the  
27 notification requirements provided in this subsection would  
28 not have an action for contribution or set-off available  
29 against the employing agency or subdivision.

30 (2)(a) Any person who maintains computerized data that  
31 includes personal information on behalf of another business

1 entity shall disclose to the business entity for which the  
2 information is maintained any breach of the security of the  
3 system as soon as practicable, but no later than 10 days  
4 following the determination, if the personal information was,  
5 or is reasonably believed to have been, acquired by an  
6 unauthorized person. The person who maintains the data on  
7 behalf of another business entity and the business entity on  
8 whose behalf the data is maintained may agree who will provide  
9 the notice, if any is required, as provided in paragraph  
10 (1)(a), provided only a single notice for each breach of the  
11 security of the system shall be required. If agreement  
12 regarding notification cannot be reached, the person who has  
13 the direct business relationship with the resident of this  
14 state shall be subject to the provisions of paragraph (1)(a).

15 (b) Any person required to disclose to a business  
16 entity under paragraph (a) who fails to do so within 10 days  
17 after the determination of a breach or receipt of notification  
18 from law enforcement as provided in subsection (3) is liable  
19 for an administrative fine not to exceed \$500,000, as follows:

20 1. In the amount of \$1,000 for each day the breach  
21 goes undisclosed for up to 30 days and, thereafter, \$50,000  
22 for each 30-day period or portion thereof for up to 180 days.

23 2. If disclosure is not made within 180 days, any  
24 person required to make disclosures under paragraph (a) who  
25 fails to do so is subject to an administrative fine of up to  
26 \$500,000.

27 (c) The administrative sanctions for nondisclosure  
28 provided in this subsection shall not apply in the case of  
29 personal information in the custody of any governmental agency  
30 or subdivision unless that governmental agency or subdivision  
31 has entered into a contract with a contractor or third-party

1 administrator to provide governmental services. In such case,  
2 the contractor or third-party administrator shall be a person  
3 to whom the administrative sanctions provided in this  
4 subsection would apply, although such contractor or  
5 third-party administrator found in violation of the  
6 nondisclosure restrictions in this subsection would not have  
7 an action for contribution or set-off available against the  
8 employing agency or subdivision.

9       (3) The notification required by this section may be  
10 delayed upon a request by law enforcement if a law enforcement  
11 agency determines that the notification will impede a criminal  
12 investigation. The notification time period required by this  
13 section shall commence after the person receives notice from  
14 the law enforcement agency that the notification will not  
15 compromise the investigation.

16       (4) For purposes of this section, the terms "breach"  
17 and "breach of the security of the system" mean unlawful and  
18 unauthorized acquisition of computerized data that materially  
19 compromises the security, confidentiality, or integrity of  
20 personal information maintained by the person. Good faith  
21 acquisition of personal information by an employee or agent of  
22 the person is not a breach or breach of the security of the  
23 system, provided the information is not used for a purpose  
24 unrelated to the business or subject to further unauthorized  
25 use.

26       (5) For purposes of this section, the term "personal  
27 information" means an individual's first name, first initial  
28 and last name, or any middle name and last name, in

30 elements when the data elements are not encrypted:

4 number, in combination with any required security code, access

6 financial account.

7  
8 For purposes of this section, the term "personal information"  
9 does not include publicly available information that is  
10 lawfully made available to the general public from federal,  
11 state, or local government records or widely distributed  
12 media.

13           (6) For purposes of this section, notice may be  
14 provided by one of the following methods:

15           (a) Written notice;

16           (b) Electronic notice, if the notice provided is  
17 consistent with the provisions regarding electronic records  
18 and signatures set forth in 15 U.S.C. s. 7001, or electronic

20 valid e-mail address for the subject person and the subject  
21 person has agreed to accept communications electronically; or

22           (c) Substitute notice, if the person demonstrates that  
23 the cost of providing notice would exceed \$250,000, the  
24 affected class of subject persons to be notified exceeds  
25 500,000, or the person does not have sufficient contact  
26 information. Substitute notice shall consist of all of the  
27 following:

28           1. Electronic mail or e-mail notice when the person  
29 has an electronic mail or e-mail address for the subject  
30 persons.

31

1           2. Conspicuous posting of the notice on the web page  
2 of the person, if the person maintains a web page.

3           3. Notification to major statewide media.

4           (7) For purposes of this section, the term  
5 "unauthorized person" means any person who does not have  
6 permission from, or a password issued by, the person who  
7 stores the computerized data to acquire such data, but does  
8 not include any individual to whom the personal information  
9 pertains.

10           (8) For purposes of this section, the term "person"  
11 means a person as defined in s. 1.01(3). For purposes of this  
12 section, the State of Florida, as well as any of its agencies  
13 or political subdivisions, and any of the agencies of its  
14 political subdivisions, constitutes a person.

15           (9) Notwithstanding subsection (6), a person who  
16 maintains:

17           (a) The person's own notification procedures as part  
18 of an information security or privacy policy for the treatment  
19 of personal information, which procedures are otherwise  
20 consistent with the timing requirements of this part; or

21           (b) A notification procedure pursuant to the rules,  
22 regulations, procedures, or guidelines established by the  
23 person's primary or functional federal regulator,  
24  
25 shall be deemed to be in compliance with the notification  
26 requirements of this section if the person notifies subject  
27 persons in accordance with the person's policies or the rules,  
28 regulations, procedures, or guidelines established by the  
29 primary or functional federal regulator in the event of a  
30 breach of security of the system.

1           (10)(a) Notwithstanding subsection (2), notification  
2 is not required if, after an appropriate investigation or  
3 after consultation with relevant federal, state, and local  
4 agencies responsible for law enforcement, the person  
5 reasonably determines that the breach has not and will not  
6 likely result in harm to the individuals whose personal  
7 information has been acquired and accessed. Such a  
8 determination must be documented in writing and the  
9 documentation must be maintained for 5 years.

10           (b) Any person required to document a failure to  
11 notify affected persons who fails to document the failure as  
12 required in this subsection or who, if documentation was  
13 created, fails to maintain the documentation for the full 5  
14 years as required in this subsection is liable for an  
15 administrative fine in the amount of up to \$50,000 for such  
16 failure.

17           (c) The administrative sanctions outlined in this  
18 subsection shall not apply in the case of personal information  
19 in the custody of any governmental agency or subdivision,  
20 unless that governmental agency or subdivision has entered  
21 into a contract with a contractor or third-party administrator  
22 to provide governmental services. In such case the contractor  
23 or third-party administrator shall be a person to whom the  
24 administrative sanctions outlined in this subsection would  
25 apply, although such contractor or third-party administrator  
26 found in violation of the documentation and maintenance of  
27 documentation requirements in this subsection would not have  
28 an action for contribution or set-off available against the  
29 employing agency or subdivision.
