222 Section 8. Maintenance and operation.--The Board of County
 223 Commissioners of Columbia County is hereby directed and charged
 224 with the duty of providing sufficient revenue for the
 225 maintenance and operation of the facilities of the authority
 226 from year to year, which such revenue, when made available,
 227 shall be paid over to the authority to be expended for such
 228 purposes.

229 Section 9. Revenue bonds.--

230 (1) The authority is authorized to provide by resolution
 231 at one time or from time to time for the issuance of bonds of
 232 the authority for the purpose of paying all or a part of the
 233 cost of acquisition, construction, equipping, repairing,
 234 extending, maintaining, and reconstructing any facility or
 235 facilities or any combination of facilities of the authority.
 236 The bonds of each issue shall be dated, shall bear interest at
 237 such rate or rates not exceeding the maximum rate authorized by
 238 general law, shall mature at such time or times not exceeding 40
 239 years from their date or dates, as may be determined by the
 240 authority, and may be made redeemable before maturity, at the
 241 option of the authority, at such price or prices and under such
 242 terms and conditions as may be fixed by the authority prior to
 243 the issuance of the bonds. The authority shall determine the
 244 form of the bonds, including any interest coupons to be attached
 245 thereto, and the manner of execution of the bonds and coupons,
 246 and shall fix the denomination or denominations of the bonds and

 248 may be at any bank or trust company within or without the state.
 249 In case any officer whose signature or a facsimile of whose

250 signature shall appear on any bonds or coupons shall cease to be
251 such officer before the delivery of such bonds, such signature
252 or such facsimile shall nevertheless be valid and sufficient for
253 all purposes the same as if he or she had remained in office
254 until such delivery. All bonds issued under the provisions of
255 this act shall have all the qualities and incidents of
256 negotiable instruments under the negotiable instruments laws of
257 the state. The bonds may be issued in coupon or in registered
258 form, or both, as the authority may determine, and provisions
259 may be made for the registration of any coupon bonds as to
260 principal alone and also as to both principal and interest, and
261 for the reconversion into coupon bonds of any bonds registered
262 as to both principal and interest. The issuance of such bonds
263 shall not be subject to any limitations or conditions contained
264 in any other law, and the authority may sell such bonds in such
265 manner and for such price as it may determine to be for the best
266 interest of the authority. Prior to the preparation of
267 definitive bonds, the authority may, under like restrictions,
268 issue interim receipts or temporary bonds with or without
269 coupons, exchangeable for definitive bonds when such bonds have
270 been executed and are available for delivery. The authority may
271 also provide for the replacement of any bonds which shall be
272 mutilated, destroyed, or lost.

273 (2) Such bonds may be payable from the revenues derived
274 from the operation of the facilities or of any combination
275 thereof and from any other funds legally available therefor. The
276 bonds shall be entitled to such priorities on such revenues as
277 the authority shall provide. The issuance of such bonds shall

ENROLLED

HB 999, Engrossed 1

2005 Legislature

278 not directly, indirectly, or contingently obligate the county to
 279 levy ad valorem taxes for their payment and the authority shall
 280 not convey or mortgage such facilities or any part thereof as
 281 security for payment of the bonds.

282 Section 10. Incidental powers.--

283 (1) In the discretion of the authority, each or any issue
 284 of such bonds may be secured by a trust agreement by and between
 285 the authority and a corporate trustee, which may be any trust
 286 company or bank having the powers of a trust company within or
 287 outside of the state. Such trust agreement may pledge or assign
 288 the revenues to be received by the authority. The resolution
 289 providing for the issuance of bonds or such trust agreement may
 290 contain such provisions for protecting and enforcing the rights
 291 and remedies of the bondholders as may be reasonable, proper,
 292 and not in violation of law, including covenants setting forth
 293 the duties of the authority in relation to the acquisition,
 294 construction, improvement, maintenance, operation, repair, and
 295 insurance of the facilities and the custody, safeguarding, and
 296 application of all moneys. It is lawful for any bank or trust
 297 company incorporated under the laws of the state to act as such
 298 depository and to furnish such indemnifying bonds or to pledge
 299 such securities as may be required by the authority. Such
 300 resolution or such trust agreement may restrict the individual
 301 rights of action by bondholders as is customary in trust
 302 agreements securing bonds or debentures of corporations. In
 303 addition to the foregoing, such resolution or such trust
 304 agreement may contain such other provisions as the authority may
 305 deem reasonable and proper for the security of the bondholders.

306 Except as in this act otherwise provided, the authority may
 307 provide, by resolution or by trust agreement, for the payment of
 308 the proceeds of the sale of the bonds and the revenues to such
 309 officer, board, or depository as it may determine for the
 310 custody thereof, and for the method of disbursement thereof,
 311 with such safeguards and restrictions as it may determine. All
 312 expenses incurred in carrying out such trust agreement may be
 313 treated as a part of the cost of operation of the facility or
 314 facilities affected by such trust agreement.

315 (2) The resolution or trust agreement providing for the
 316 issuance of the bonds may also contain such limitations upon the
 317 issuance of additional revenue bonds as the authority may deem
 318 proper, and such additional bonds shall be issued under such
 319 restrictions or limitations as may be prescribed by such
 320 resolution or trust agreement.

321 (3) Bonds may be issued under the provisions of this act
 322 without obtaining the consent of any commission, board, bureau,
 323 or agency of the state or county and without any other
 324 proceedings or the happening of any condition or thing other
 325 than those proceedings, conditions, or things which are
 326 specifically required by this act.

327 (4) The proceeds of the bonds shall be used solely for the
 328 payment of the cost of the facility or facilities for which such
 329 bonds shall have been authorized and shall be disbursed in the
 330 manner provided in the resolution or in the trust agreement
 331 authorizing the issuance of such bonds. If the proceeds of the
 332 bonds of any issue shall exceed the amount required for the
 333 purpose for which the same shall have been issued, the surplus

ENROLLED

2005 Legislature

334 shall be set aside and used only for paying the principal of and
 335 interest on such bonds.

336 Section 11. Refunding bonds.--The authority is hereby
 337 authorized to provide by resolution for the issuance of
 338 refunding revenue bonds for the purpose of refunding any bonds
 339 then outstanding and issued under the provisions of this act.
 340 The authority is further authorized to provide by resolution for
 341 the issuance of bonds for the combined purpose of paying the
 342 cost of any acquisition, construction, repair, extensions,
 343 additions, equipping, and reconstruction of any facilities of
 344 the authority, and refunding bonds of the authority which shall
 345 theretofore have been issued under the provisions of this act
 346 and shall then be outstanding. The issuance of such obligations,
 347 the maturities and other details thereof, the right and remedies
 348 of the holders thereof, and the rights, powers, privileges,
 349 duties, and obligations of the authority with respect to the
 350 same shall be governed by the foregoing provisions of this act
 351 insofar as the same may be applicable.

352 Section 12. Remedies.--Any holder of bonds issued under
 353 the provisions of this act or any of the coupons appertaining
 354 thereto and the trustee under any trust agreement, except to the
 355 extent that the rights herein given may be restricted by such
 356 trust agreement, may, either at law or in equity, by suit,
 357 action, mandamus, or other proceedings, protect and enforce any
 358 and all rights under the laws of the state or granted hereunder
 359 or under such trust agreement or the resolution authorizing the
 360 issuance of such bonds, and may enforce and compel the
 361 performance of all duties required by this act or by such trust

 363 any officer thereof.

364 Section 13. Exemption of property from taxation.--The
 365 effectuation of the purposes of the authority created under this
 366 act is in all respects for the benefit of the people of the
 367 state and of Columbia County, for the increase of their commerce
 368 and prosperity. The exercise of the powers by the authority,
 369 conferred by this act, to effect such purposes constitutes the
 370 performance of essential county functions and is declared to be
 371 a county purpose. As the facilities owned, operated, supervised,
 372 and controlled by the authority, under the provisions of this
 373 act, constitute public property and are used for county
 374 purposes, the authority shall not be required to pay any taxes
 375 or assessments upon any such facilities or any parts thereof.

376 Section 14. Bonds to constitute legal investments.--Any
 377 bonds issued pursuant to this act shall be and constitute legal
 378 investments for banks, savings banks, trustees, executors,
 379 administrators, and all other fiduciaries for all state,
 380 municipal, and public funds and shall also be and constitute
 381 securities eligible for deposit as security for all state,
 382 municipal, or other public funds notwithstanding the provisions
 383 of any other law or laws to the contrary.

384 Section 15. Act complete and additional authority.--The
 385 powers conferred by this act shall be in addition and
 386 supplemental to the existing powers of the authority, if any,
 387 and this act shall not be construed as repealing any of the
 388 provisions of any other law or laws inconsistent with the

389 provisions of this act and provides a complete method for the
 390 exercise of the powers granted herein.

391 Section 16. Taxing authority.--

392 (1) The members of the Lake Shore Hospital Authority of
 393 Columbia County are authorized to request, by resolution of said
 394 hospital authority, the Board of County Commissioners of
 395 Columbia County to levy a tax not to exceed 3 mills on all
 396 taxable property in the county for the purpose of maintenance
 397 and operation of the hospital and facilities and for providing
 398 health care for the indigent residents of Columbia County.

399 (2) Upon request by resolution of the Lake Shore Hospital
 400 Authority, the Board of County Commissioners of Columbia County
 401 shall levy a tax upon all the taxable property in the county for
 402 the purpose of maintenance and operation of the hospital and
 403 facilities and care of the indigent residents of Columbia County
 404 in an amount not to exceed 3 mills. Upon the assessment and
 405 collection of said tax, the county tax collector shall remit the
 406 moneys thereby collected to the director of the authority.

407 Section 17. Construction of act.--This act shall be
