The Committee on Health Care (Saunders) recommended the following amendment:

**Senate Amendment**

On page 8, lines 12-22, delete those lines

and insert: in subparagraph 8., and except in areas where the Medicaid managed care pilot program is authorized pursuant to s. 409.91211, the agency shall seek federal approval to contract with a single entity, by county, meeting these requirements to provide comprehensive behavioral health care services to all Medicaid recipients not enrolled in a Medicaid managed care plan authorized under s. 409.91211 or a Medicaid health maintenance organization in an AHCA area. In an AHCA area where the Medicaid managed care pilot program is authorized pursuant to s. 409.91211 in one or more counties, the agency may procure a contract with a single entity, by county, to serve the remaining counties
