The Committee on Health Care (Peaden) recommended the following amendment:

Senate Amendment (with title amendment)

On page 36, between lines 21 and 22,

insert:

(7) The Office of Insurance Regulation shall conduct an annual review of the Medicaid managed care pilot program's risk-adjusted rate setting methodology as developed by the agency. The Office of Insurance Regulation shall contract with an independent actuary firm to assist in the annual review and to provide technical expertise.

(a) After reviewing the actuarial analysis provided by the agency, the Office of Insurance Regulation shall make advisory recommendations to the Governor and the Legislature regarding:

1. The methodology adopted by the agency for risk-adjusted rates.

2. The risk-adjusted rate for each Medicaid eligibility category in the demonstration program.

1 3. Administrative and implementation issues regarding
 2 the use of risk-adjusted rates, including, but not limited to,
 3 cost, simplicity, client privacy, data accuracy, and data
 4 exchange.

5 (b) For each annual review, the Office of Insurance
 6 Regulation shall solicit input concerning the agency's rate
 7 setting methodology from the Florida Association of Health
 8 Plans, the Florida Hospital Association, the Florida Medical
 9 Association, Medicaid recipient advocacy groups, and other
 10 stakeholder representatives as necessary to obtain a broad
 11 representation of perspectives on the effects of the agency's
 12 adopted rate setting methodology and recommendations on
 13 possible modifications to the methodology.

14 (c) The Office of Insurance Regulation shall submit its
 15 findings and advisory recommendations to the Governor and the
 16 Legislature no later than February 1 of each year for
 17 consideration by the Legislature for inclusion in the General
 18 Appropriations Act.
