The Committee on Health Care (Peaden) recommended the following amendment:

Senate Amendment (with title amendment)

On page 19, lines 19-27, delete those lines

and insert:

adequacy of access to health care providers. ~~It is the intent of the Legislature that, to the extent possible,~~ Any pilot program authorized by the state under this section must include any federally qualified health center, federally qualified rural health clinic, county health department, the Children's Medical Services Network within the Department of Health, or other federally, state, or locally funded entity that serves the geographic areas within the boundaries of the pilot program that requests to participate. This paragraph does not
