Senator Wilson moved the following amendment:

Senate Amendment (with title amendment)

On page 38, between lines 24 and 25,

insert:

(10) The Office of Program Policy Analysis and Government Accountability, in consultation with the Auditor General, shall comprehensively evaluate the two managed care pilot programs created under this section. The evaluation shall begin when the office, in consultation with the Auditor General, deems there is sufficient, reliable data available following implementation of the two managed care pilot programs. The evaluation shall continue for 24 months after the office has deemed that sufficient, reliable data is available. The evaluation must include assessments of cost savings; consumer education, choice, and access to services; coordination of care; number of encounters; and quality of care by each eligibility category and managed care plan in each pilot program site. The evaluation must describe administrative or legal barriers to the implementation and
