1 a staging area for emergency response equipment during an
2 emergency officially declared by the state or by the local
3 government under s. 252.38. Such improvements under this
4 subsection are limited to those necessary to comply with
5 current standards for public emergency evacuation shelters.
6 The owner shall enter into a written contract with the local
7 government providing the improvement funding to make such
8 private facility available to the public for purposes of
9 emergency shelter at no cost to the local government for a
10 minimum period of 10 years after completion of the
11 improvement, with the provision that such obligation will
12 transfer to any subsequent owner until the end of the minimum
13 period.
