SUMMARY ANALYSIS

Section 334.071, F.S., provides for legislative designations of transportation facilities for honorary or memorial purposes, or to distinguish a particular facility. The legislative designations do not “officially” change the current names of the facilities, nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings.

HB 1107 designates that portion of U.S. Highway 301 within Marion and Alachua Counties as “Rosa Parks Memorial Highway.”

The Florida Department of Transportation is directed to erect suitable markers to denote the honorary designations. The markers will cost an estimated \$800. This does not include maintenance or replacement costs.

HB 1107 does not create any constitutional or other legal issues. It takes effect July 1, 2006.

A. HOUSE PRINCIPLES ANALYSIS:

HB 1107 does not implicate any House Principles.

B. EFFECT OF PROPOSED CHANGES:

Current Situation

Section 334.071, F.S., provides for legislative designations of transportation facilities for honorary or memorial purposes, or to distinguish a particular facility. The legislative designations do not “officially” change the current names of the facilities, nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings.

The statute requires the Florida Department of Transportation (FDOT) to place a marker at each terminus or intersection of an identified road or bridge, and to erect other markers it deems appropriate for the transportation facility. The statute also provides that a city or county must pass a resolution in support of a particular designation before road markers are erected. Additionally, if the designated road segment extends through multiple cities or counties, a resolution must be passed by each affected local government.

Based on FDOT records, some 1,079 honorary road and bridge designations have been approved since 1922, most of them by the Legislature. Some public roads and bridges have multiple or overlapping designations.

Effect of HB 1107

HB 1107 designates that portion of U.S. Highway 301 within Marion and Alachua Counties as “Rosa Parks Memorial Highway.”

Rosa Parks, often called the “Mother of the Modern Day Civil Rights Movement,” sparked the Montgomery Bus Boycott in 1955 by refusing to give her seat to a white male passenger on a segregated bus. She led an active life of community service and began the Rosa and Raymond Parks Institute for Self-Development. Mrs. Parks passed away on October 24, 2005.

The FDOT is directed to erect suitable markers to denote the honorary designations.

C. SECTION DIRECTORY:
