The Committee on Judiciary (Baker) recommended the following amendment:

**Senate Amendment**

On page 31, lines 10-17, delete those lines

and insert: authorized by this subsection, the participant is subject to a coordinated strategy developed by a drug court team under s. 397.334(3). The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but is not limited to, placement in a substance abuse treatment program offered by a licensed service provider as defined in s. 397.311 or in a jail-based treatment program or serving a period of incarceration within the time limits
