The Committee on Judiciary (Baker) recommended the following amendment:

Senate Amendment

On page 33, lines 24-28, delete those lines

and insert: sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but is not limited to, placement in a substance abuse treatment program offered by a licensed service provider as defined in s. 397.311 or in a jail-based treatment program or serving a period of incarceration within the time limits
