I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Safeguard individual liberty: The bill provides an additional 180 days for renewal of a license to carry a concealed weapon for a licensee serving on active duty in any branch of the United State Armed Services and who is participating in Operation Enduring Freedom or Operation Iraqi Freedom.

B. EFFECT OF PROPOSED CHANGES:

Current Situation

The Department of Agriculture and Consumer Services (department) authorizes the issuance and renewal of licenses to carry concealed weapons or firearms to persons qualified under the provisions of s. 790.06, F.S. The license is valid for a period of five years from the date of issuance, and must be carried, along with valid identification, when the license holder is carrying his/her firearm in a concealed manner. The license and identification must be displayed to law enforcement officers upon demand. Violations of these provisions are a noncriminal violation with a fine of \$25.³

The department is required to notify a licensee no later than 90 days prior to the expiration date of his/her license. The notification is by mail and includes a renewal form. License holders are required to notify the department of permanent address changes or after having a license lost or destroyed. Notification must take place within 30 days of either event. Failure to notify the department results in a noncriminal violation that carries a \$25 fine for either offense.

A licensee who fails to renew his/her license on or before the expiration date must pay a \$15 late fee in order to renew the license. A license is deemed permanently expired, and will not be renewed, if 6 months or more have lapsed since its expiration. A person seeking renewal after permanent expiration must submit an application, an \$85 fee, and the documentation required under s. 790.06(5), F.S.

The department currently makes every effort to accommodate active military personnel in the renewal of licenses without charging the late fee if license holders can show their military service impeded the renewal process.

Effect of Proposed Changes

The bill requires the department to extend the renewal period an additional 180 days for a concealed weapons permit if the license holder is serving in Operation Enduring Freedom or Operation Iraqi Freedom on the date the license expires.

C. SECTION DIRECTORY:
