The Committee on Governmental Oversight and Productivity
(Constantine) recommended the following amendment:

Senate Amendment (with title amendment)

On page 12, between lines 14 and 15,

insert:

(8) In order to ensure that the health and welfare of
the residents affected by annexation will be protected, all
fire and emergency medical services shall be provided by the
existing provider of fire and emergency medical services to
the annexed area and remain part of the existing municipal
service taxing unit or special district unless:

1. The county and annexing municipality reach an
agreement, through interlocal agreement or other legally
sufficient means, as to who shall provide these emergency
services; or

2. A fire-rescue services element exists for the
respective county's comprehensive plan filed with the state
and the annexing municipality meets the criteria set forth.
