Be It Enacted by the Legislature of the State of Florida:

Section 1. Sections 106.401 through 106.425, Florida 15 16 Statutes, are created to read: 17 106.401 Short title.--Sections 106.401-106.426 may be cited as the "Florida Clean Elections Act." 18 106.402 Findings and declarations .--19 (1) The Legislature finds and declares that the 20

21 current system of privately financed campaigns for election to statewide and legislative offices undermines democracy in this 22 23 state in the following principal ways: (a) It violates the democratic principle of "one 2.4 person, one vote" and diminishes the meaning of the right to 25 vote by allowing large contributions to have a deleterious 26 27 influence on the political process. 28 (b) It violates the rights of all citizens to equal and meaningful participation in the democratic process. 29 30 (c) It diminishes the free-speech rights of nonwealthy

voters and candidates whose voices are drowned out by those

SB 1264

1 who can afford to monopolize the arena of paid political 2 communications. 3 (d) It undermines the First Amendment right of voters 4 and candidates to be heard in the political process, the First 5 Amendment right of voters to hear all candidates' speech, and 6 the core First Amendment value of open and robust debate in 7 the political process. (e) It fuels the public perception of corruption and 8 undermines public confidence in the democratic process and 9 10 democratic institutions. (f) It drives up the cost of election campaigns, 11 making it difficult for qualified candidates without access to 12 13 wealthy contributors or personal fortunes to mount competitive campaigns. 14 (q) It places challengers at a disadvantage, because 15 wealthy contributors tend to give their money to incumbents, 16 17 thus causing elections to be less competitive. 18 (h) It inhibits communication with the electorate by candidates without access to large sums of campaign money. 19 (i) It burdens candidates with the incessant rigors of 20 21 fundraising and thus decreases the time available to fully 2.2 present their candidacies and ideas to the public. 23 (2) The Legislature finds and declares that providing a voluntary clean-money campaign finance system for all 2.4 primary and general elections would enhance democracy in the 25 state in the following principal ways: 26 27 (a) It would help eliminate the deleterious influence 2.8 of large contributions on the political process, remove access to wealth as a major determinant of a person's influence 29 within the political process, and restore meaning to the 30 principle of "one person, one vote." 31

4

1 (b) It would help restore the rights of all citizens to equal and meaningful participation in the democratic 2 3 process. 4 (c) It would restore the free-speech rights of nonwealthy candidates and voters by providing candidates with 5 6 the equal resources with which to communicate with the voters. 7 (d) It would help restore the First Amendment right of voters and candidates to be heard in the political process, 8 the First Amendment right of voters to hear all candidates' 9 speech, and the core First Amendment value of open and robust 10 debate in the political process. 11 12 (e) It would diminish the public perception of 13 corruption and strengthen public confidence in the democratic process and democratic institutions. 14 (f) It would halt and reverse the escalating cost of 15 16 elections. 17 (q) It would create a more level playing field for 18 incumbents and challengers, create genuine opportunities for 19 gualified residents of this state to run for statewide or legislative office, and encourage more competitive elections. 2.0 21 (h) It would facilitate communication with the electorate by candidates, regardless of their access to large 2.2 23 sums of campaign money. (i) It would free candidates from the incessant rigors 2.4 of raising money and allow them more time to fully present 25 their candidacies and ideas to the public. 26 27 (3) The Legislature further finds and declares that 2.8 the unique factual circumstances in this state require that ss. 106.401-106.426 be enacted to promote the compelling state 29 interests listed in subsection (2). The provisions of ss. 30 106.401-106.426 are designed to create a rough proportionality 31

5

1	between the benefits and restrictions that apply to
2	participating candidates. However, it should be clear that
3	the provisions of ss. 106.401-106.426 are not entirely
4	neutral. Participating candidates are deliberately favored to
5	further the compelling state interest of encouraging
б	participation in the public financing program.

17	jurisdiction of the office and who are therefore eligible to
18	vote for that candidate. Qualifying contributions must be made
19	in cash or by check or money order; must be accompanied by a
20	receipt fully identifying the contributor, which includes a

30	the seed-money period. The term does not include payments by
31	a membership organization for the costs of communications to
