## Florida Senate - 2006

By Senator Clary

	4-736-06 See HB 371
1	A bill to be entitled
2	An act relating to the Cancer Drug Donation
3	Program; creating s. 381.94, F.S.; providing a
4	short title; creating the Cancer Drug Donation
5	Program; providing a purpose; providing
6	definitions; providing conditions for donation
7	of cancer drugs and supplies to the program;
8	providing conditions for the acceptance of
9	cancer drugs and supplies into the program,
10	inspection of cancer drugs and supplies, and
11	dispensation of cancer drugs and supplies to
12	eligible patients; requiring a physician's
13	office, pharmacy, hospital, hospice, or health
14	care clinic that accepts donated drugs and
15	supplies through the program to comply with
16	certain state and federal laws; authorizing a
17	participating physician's office, pharmacy,
18	hospital, hospice, or health care clinic to
19	charge fees under certain conditions; requiring
20	the Department of Health, upon recommendation
21	of the Board of Pharmacy, to adopt certain
22	rules; providing for the ineligibility of
23	certain persons to receive donated drugs;
24	requiring the department to establish and
25	maintain a participant registry; providing for
26	the contents and availability of the
27	participant registry; providing immunity from
28	civil and criminal liability for donors,
29	program participants, or pharmaceutical
30	manufacturers in certain circumstances;
31	providing an effective date.
	1

**CODING:** Words stricken are deletions; words <u>underlined</u> are additions.

1 Be It Enacted by the Legislature of the State of Florida: 2 3 Section 1. Section 381.94, Florida Statutes, is 4 created to read: 5 381.94 Cancer Drug Donation Program. -б (1) This act may be cited as the "Cancer Drug Donation 7 Program Act." 8 (2) There is created a Cancer Drug Donation Program within the Department of Health for the purpose of authorizing 9 10 and facilitating the donation of cancer drugs and supplies to eligible patients. 11 12 (3) As used in this section: (a) "Cancer drug" means a prescription drug used to 13 treat cancer or its side effects or used to treat the side 14 effects of a prescription drug used to treat cancer or its 15 16 side effects. 17 (b) "Department" means the Department of Health. 18 (c) "Donor" means a person, health care facility, hospital, pharmacy, drug manufacturer, medical device 19 manufacturer or supplier, wholesaler of drugs or supplies, or 20 21 any other entity that donates cancer drugs, or supplies needed 22 to administer such drugs, in accordance with this section. 23 (d) "Eligible patient" means a person who the 2.4 department determines is eligible to receive cancer drugs from 25 the program. (e) "Health care facility" means a health care 26 27 facility licensed under chapter 395. 2.8 (f) "Health care clinic" means a health care clinic licensed under part XIII of chapter 400. 29 30 (q) "Hospice" means a corporation licensed under part VI of chapter 400. 31

2

CODING: Words stricken are deletions; words underlined are additions.

1 (h) "Hospital" means a facility as defined in s. 2 395.002 and licensed under chapter 395. 3 (i) "Participant" means a physician's office, 4 pharmacy, hospital, hospice, or health care clinic that has 5 elected to participate in the program and that accepts donated 6 cancer drugs and supplies under the rules adopted by the 7 department for the program. 8 (j) "Pharmacist" means a pharmacist licensed under chapter 465. 9 10 (k) "Pharmacy" means an entity licensed under chapter 465. 11 12 (1) "Physician's office" means the office of a person 13 <u>licensed to practice medicine under chapter 458 or osteopathic</u> medicine under chapter 459. 14 (m) "Prescribing practitioner" means a physician 15 licensed under chapter 458 or any other medical professional 16 17 with authority under state law to prescribe cancer medication. 18 (n) "Prescription drug" means a drug as defined in s. 465.003(8). 19 (o) "Program" means the Cancer Drug Donation Program 20 21 created by this section. 22 (p) "Supplies" means any supplies used in the 23 administration of a cancer drug. (4) Any person or entity may donate cancer drugs or 2.4 supplies to the program. Cancer drugs or supplies may be 25 donated at a physician's office, pharmacy, hospital, hospice, 26 27 or health care clinic that elects to participate in the 2.8 program and meets criteria established by the department for such participation. Cancer drugs or supplies may not be 29 donated to a specific cancer patient, and donated drugs or 30 supplies may not be resold by the program. 31

CODING: Words stricken are deletions; words underlined are additions.

2may be prescribed only by a prescribing practitioner for use3by an eligible patient and may be dispensed only by a4pharmacist.5(6)(a) A cancer drug may only be accepted or dispensed6under the program if such drug is in its original, unopened,7sealed, and tamper-evident unit doses packaging, except that a8cancer drug packaged in single unit doses may be accepted and9dispensed if the outside packaging is opened but the10single-unit-dose packaging is unopened.11(b) A cancer drug may not be accepted or dispensed12under the program if such drug bears an expiration date that13is less than 6 months after the date the drug was donated or14if the drug is adulterated or misbranded as determined in15paragraph (c).16(c) Prior to being dispensed to an eligible patient,17the cancer drug or supplies donated under the program shall be18inspected by a pharmacist to determine that the drug and19supplies are not adulterated or misbranded.20(d) A dispenser of donated cancer drugs or supplies21may not submit a claim or otherwise seek reimbursement from22any public or private third-party payor for donated cancer23drugs or supplies dispensed to any patient under the program.24and a public or private third-party payor is not required to25provide reimbursement to a dispenser for donated cancer drugs26or supplies dispensed to any patient under the program.27	1	(5) The cancer drug or supplies donated to the program
4pharmacist.5(6)(a) A cancer druq may only be accepted or dispensed6under the program if such drug is in its original, unopened,7sealed, and tamper-evident unit dose packaging, except that a8cancer drug packaged in single unit doses may be accepted and9dispensed if the outside packaging is opened but the9single-unit-dose packaging is unopened.11(b) A cancer drug may not be accepted or dispensed12under the program if such drug bears an expiration date that13is less than 6 months after the date the drug was donated or14if the drug is adulterated or misbranded as determined in15paragraph (c).16(c) Prior to being dispensed to an eligible patient,17the cancer drug or supplies donated under the program shall be18inspected by a pharmacist to determine that the drug and19supplies are not adulterated or misbranded.20(d) A dispenser of donated cancer drugs or supplies21may not submit a claim or otherwise seek reimbursement from22and a public or private third-party payor is not required to23provide reimbursement to a dispenser for donated cancer drugs24or supplies dispensed to any patient under the program.25provide reimbursement to a dispenser for donated cancer drugs26or supplies dispensed to any patient under the program.27(7)(a) A physician's office, pharmacy, hospital,28hospice, or health care clinic that accepts donated cancer29d	2	may be prescribed only by a prescribing practitioner for use
5(6)(a) A cancer druq may only be accepted or dispensed6under the program if such druq is in its original, unopened,7sealed, and tamper-evident unit dose packaging, except that a8cancer druq packaged in single unit doses may be accepted and9dispensed if the outside packaging is opened but the9single-unit-dose packaging is unopened.11(b) A cancer drug may not be accepted or dispensed12under the program if such drug bears an expiration date that13is less than 6 months after the date the drug was donated or14if the drug is adulterated or misbranded as determined in15paragraph (c).16(c) Prior to being dispensed to an eligible patient.17the cancer drug or supplies donated under the program shall be18inspected by a pharmacist to determine that the drug and19supplies are not adulterated or misbranded.20(d) A dispenser of donated cancer drugs or supplies21may not submit a claim or otherwise seek reimbursement from22and a public or private third-party payor is not required to23provide reimbursement to a dispenser for donated cancer drugs24and a public or private third-party payor, hospital.25provide reimbursement to a dispenser for donated cancer drugs26or supplies dispensed to any patient under the program.27(7)(a) A physician's office, pharmacy, hospital.28hospice, or health care clinic that accepts donated cancer29drugs or supplies under the program shall c	3	by an eligible patient and may be dispensed only by a
6under the program if such drug is in its original, unopened, sealed, and tamper-evident unit dose packaging, except that a cancer drug packaged in single unit doses may be accepted and dispensed if the outside packaging is opened but the10single-unit-dose packaging is unopened.11(b) A cancer drug may not be accepted or dispensed12under the program if such drug bears an expiration date that is less than 6 months after the date the drug was donated or if the drug is adulterated or misbranded as determined in paragraph (c).16(c) Prior to being dispensed to an eligible patient, the cancer drug or supplies donated under the program shall be inspected by a pharmacist to determine that the drug and supplies are not adulterated or misbranded.10(d) A dispenser of donated cancer drugs or supplies may not submit a claim or otherwise seek reimbursement from any public or private third-party payor for donated cancer drugs or supplies dispensed to any patient under the program, and a public or private third-party payor is not required to provide reimbursement to a dispenser for donated cancer drugs or supplies dispensed to any patient under the program, (7)(a) A physician's office, pharmacy, hospital, hospice, or health care clinic that accepts donated cancer12drugs or supplies under the program shall comply with all applicable provisions of state and federal law relating to the	4	pharmacist.
7sealed, and tamper-evident unit dose packaging, except that a cancer drug packaged in single unit doses may be accepted and dispensed if the outside packaging is opened but the single-unit-dose packaging is unopened.11(b) A cancer drug may not be accepted or dispensed12under the program if such drug bears an expiration date that is less than 6 months after the date the drug was donated or if the drug is adulterated or misbranded as determined in paragraph (c).16(c) Prior to being dispensed to an eligible patient, the cancer drug or supplies donated under the program shall be inspected by a pharmacist to determine that the drug and supplies are not adulterated or misbranded.19(d) A dispenser of donated cancer drugs or supplies may not submit a claim or otherwise seek reimbursement from any public or private third-party payor for donated cancer drugs or supplies dispensed to any patient under the program, and a public or private third-party payor is not required to provide reimbursement to a dispenser for donated cancer drugs or supplies dispensed to any patient under the program, (7)(a) A physician's office, pharmacy, hospital, hospice, or health care clinic that accepts donated cancer29drugs or supplies under the program shall comply with all applicable provisions of state and federal law relating to the	5	(6)(a) A cancer drug may only be accepted or dispensed
8cancer drug packaged in single unit doses may be accepted and dispensed if the outside packaging is opened but the single-unit-dose packaging is unopened.11(b) A cancer drug may not be accepted or dispensed under the program if such drug bears an expiration date that is less than 6 months after the date the drug was donated or if the drug is adulterated or misbranded as determined in paragraph (c).16(c) Prior to being dispensed to an eligible patient, the cancer drug or supplies donated under the program shall be supplies are not adulterated or misbranded.10(d) A dispenser of donated cancer drugs or supplies any public or private third-party payor for donated cancer drugs or supplies dispensed to any patient under the program, and a public or private third-party payor is not required to provide reimbursement to a dispenser for donated cancer drugs or supplies dispensed to any patient under the program, and a public or private third-party payor is not required to provide reimbursement to a dispenser for donated cancer drugs or supplies dispensed to any patient under the program, and a public or private third-party payor is not required to provide reimbursement to a dispenser for donated cancer drugs or supplies dispensed to any patient under the program.17(f)(a) A physician's office, pharmacy, hospital, hospice, or health care clinic that accepts donated cancer18phospice, or supplies under the program shall comply with all applicable provisions of state and federal law relating to the	6	under the program if such drug is in its original, unopened,
<ul> <li>dispensed if the outside packaging is opened but the</li> <li>single-unit-dose packaging is unopened.</li> <li>(b) A cancer drug may not be accepted or dispensed</li> <li>under the program if such drug bears an expiration date that</li> <li>is less than 6 months after the date the drug was donated or</li> <li>if the drug is adulterated or misbranded as determined in</li> <li>paragraph (c).</li> <li>(c) Prior to being dispensed to an eligible patient,</li> <li>the cancer drug or supplies donated under the program shall be</li> <li>inspected by a pharmacist to determine that the drug and</li> <li>supplies are not adulterated or misbranded.</li> <li>(d) A dispenser of donated cancer drugs or supplies</li> <li>may not submit a claim or otherwise seek reimbursement from</li> <li>any public or private third-party payor for donated cancer</li> <li>drugs or supplies dispensed to any patient under the program,</li> <li>and a public or private third-party payor is not required to</li> <li>provide reimbursement to a dispenser for donated cancer drugs</li> <li>or supplies dispensed to any patient under the program.</li> <li>(7)(a) A physician's office, pharmacy, hospital,</li> <li>hospice, or health care clinic that accepts donated cancer</li> <li>drugs or supplies under the program shall comply with all</li> <li>applicable provisions of state and federal law relating to the</li> </ul>	7	sealed, and tamper-evident unit dose packaging, except that a
<ul> <li>single-unit-dose packaging is unopened.</li> <li>(b) A cancer drug may not be accepted or dispensed</li> <li>under the program if such drug bears an expiration date that</li> <li>is less than 6 months after the date the drug was donated or</li> <li>if the drug is adulterated or misbranded as determined in</li> <li>paragraph (c).</li> <li>(c) Prior to being dispensed to an eligible patient.</li> <li>the cancer drug or supplies donated under the program shall be</li> <li>inspected by a pharmacist to determine that the drug and</li> <li>supplies are not adulterated or misbranded.</li> <li>(d) A dispenser of donated cancer drugs or supplies</li> <li>may not submit a claim or otherwise seek reimbursement from</li> <li>and a public or private third-party payor for donated cancer</li> <li>or supplies dispensed to any patient under the program.</li> <li>(7)(a) A physician's office, pharmacy, hospital.</li> <li>hospice, or health care clinic that accepts donated cancer</li> <li>drugs or supplies under the program shall comply with all</li> <li>applicable provisions of state and federal law relating to the</li> </ul>	8	cancer drug packaged in single unit doses may be accepted and
11(b) A cancer drug may not be accepted or dispensed12under the program if such drug bears an expiration date that13is less than 6 months after the date the drug was donated or14if the drug is adulterated or misbranded as determined in15paragraph (c).16(c) Prior to being dispensed to an eligible patient.17the cancer drug or supplies donated under the program shall be18inspected by a pharmacist to determine that the drug and19supplies are not adulterated or misbranded.20(d) A dispenser of donated cancer drugs or supplies21may not submit a claim or otherwise seek reimbursement from22any public or private third-party payor for donated cancer23drugs or supplies dispensed to any patient under the program.24or supplies dispensed to any patient under the program.25provide reimbursement to a dispenser for donated cancer drugs26or supplies dispensed to any patient under the program.27(7)(a) A physician's office, pharmacy, hospital,28hospice, or health care clinic that accepts donated cancer29drugs or supplies under the program shall comply with all30applicable provisions of state and federal law relating to the	9	dispensed if the outside packaging is opened but the
12under the program if such drug bears an expiration date that13is less than 6 months after the date the drug was donated or14if the drug is adulterated or misbranded as determined in15paragraph (c).16(c) Prior to being dispensed to an eligible patient,17the cancer drug or supplies donated under the program shall be18inspected by a pharmacist to determine that the drug and19supplies are not adulterated or misbranded.20(d) A dispenser of donated cancer drugs or supplies21may not submit a claim or otherwise seek reimbursement from22any public or private third-party payor for donated cancer23drugs or supplies dispensed to any patient under the program,24and a public or private third-party payor is not required to25provide reimbursement to a dispenser for donated cancer drugs26or supplies dispensed to any patient under the program,27(7)(a) A physician's office, pharmacy, hospital,28hospice, or health care clinic that accepts donated cancer29drugs or supplies under the program shall comply with all30applicable provisions of state and federal law relating to the	10	single-unit-dose packaging is unopened.

**CODING:** Words stricken are deletions; words <u>underlined</u> are additions.

1 storage, distribution, and dispensing of the donated cancer 2 drugs or supplies. 3 (b) A physician's office, pharmacy, hospital, hospice, 4 or health clinic that participates in the program may charge a 5 nominal handling fee for distributing or dispensing cancer 6 drugs or supplies under the program. The fee shall be 7 established in rules adopted by the department. 8 (8) The department, upon the recommendation of the 9 Board of Pharmacy, shall adopt rules to carry out the 10 provisions of this section. Initial rules under this section shall be adopted no later than 90 days after the effective 11 12 date of this act. The rules shall include, but not be limited 13 to: (a) Eligibility criteria, including a method to 14 determine priority of eligible patients under the program. 15 (b) Standards and procedures for participants that 16 17 accept, store, distribute, or dispense donated cancer drugs or 18 supplies. (c) Necessary forms for administration of the program, 19 including, but not limited to, forms for use by persons or 20 21 entities that donate, accept, distribute, or dispense cancer 2.2 drugs or supplies under the program. 23 (d) The maximum handling fee that may be charged by a participant that accepts and distributes or dispenses donated 2.4 25 cancer drugs or supplies. (e) Categories of cancer drugs and supplies that the 26 27 program will accept for dispensing. 28 (f) Categories of cancer drugs and supplies that the program will not accept for dispensing and the reason that 29 30 such drugs and supplies will not be accepted. 31

CODING: Words stricken are deletions; words underlined are additions.

1	(q) Maintenance and distribution of the participant
2	registry established in subsection (10).
3	(9) A person who is eligible to receive cancer drugs
4	or supplies under the state Medicaid program or under any
5	other prescription drug program funded in whole or in part by
б	the state is ineligible to participate in the program created
7	under this section.
8	(10) The department shall establish and maintain a
9	participant registry for the program. The participant registry
10	shall include the participant's name, address, and telephone
11	number and shall identify whether the participant is a
12	physician's office, pharmacy, hospital, hospice, or health
13	care clinic. The department shall make the participant
14	registry available to any person or entity wishing to donate
15	cancer drugs or supplies to the program.
16	(11) Any donor of cancer drugs or supplies, or any
17	participant in the program, who exercises reasonable care in
18	donating, accepting, distributing, or dispensing cancer drugs
19	or supplies under the program and the rules adopted under this
20	section shall be immune from civil or criminal liability and
21	from professional disciplinary action of any kind for any
22	injury, death, or loss to person or property relating to such
23	activities.
24	(12) A pharmaceutical manufacturer is not liable for
25	any claim or injury arising from the transfer of any cancer
26	drug under this section, including, but not limited to,
27	liability for failure to transfer or communicate product or
28	consumer information regarding the transferred drug, as well
29	as the expiration date of the transferred drug.
30	Section 2. This act shall take effect July 1, 2006.
