The Committee on Health Care (Peaden) recommended the following **amendment to amendment** (210156):

**Senate Amendment (with title amendment)**

On page 4, lines 2-3, delete those lines

and insert: and Government Accountability shall submit interim reports to the Legislature.

(3) To be eligible for the grant, school districts must agree to collect information that the Office of Program Policy Analysis and Government Accountability needs to conduct its evaluations. This information will facilitate the Office of Program Policy Analysis and Government Accountability's evaluation of the pilot program's effectiveness in changing body mass index, increasing knowledge, and improving attitudes and behaviors related to nutrition and physical activity. The Office of Program Policy Analysis and Government Accountability must supply a form for participating school districts to record the information and identify the information that must be collected for the evaluation. The school district must collect baseline and school-year-end
