The Committee on Health Care (Fasano) recommended the following amendment:

Senate Amendment (with directory and title amendments)

On page 19, between lines 8 and 9,

insert:

(5) The agency shall develop and implement a strategy for the adoption and use of electronic health records, including the development of an electronic health information network for the sharing of electronic health records among health care facilities, health care providers, and health insurers. The agency may develop rules to facilitate the functionality and protect the confidentiality of electronic health records. The agency shall report to the Governor, the Speaker of the House of Representatives, and the President of the Senate on legislative recommendations to protect the confidentiality of electronic health records.
