A bill to be entitled

An act relating to the Florida Building Code; authorizing the Florida Building Commission to amend wind-design standards in the code for a specified area of the state; expressly superseding a provision; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. (1) Notwithstanding section 109 of chapter 2000-141, Laws of Florida, or any other provision of law to the contrary, the Florida Building Commission may amend the wind-design standards established under subsection (3) of section 109 of chapter 2000-141, Laws of Florida, which are applicable to construction in this state, as adopted in the Florida Building Code.

(2) Subsection (3) of section 109 of chapter 2000-141, Laws of Florida, is expressly superseded by this act.

(3) Notwithstanding s. 533.73, Florida Statutes, the commission may amend the Florida Building Code, subject only to the rule-adoption procedures of chapter 120, Florida Statutes.

Section 2. This act shall take effect July 1, 2006.
