

Amendment No. (for drafter's use only)

CHAMBER ACTION

Senate

House

.

Representative(s) Pickens offered the following:

Amendment to Amendment (099179) (with title amendment)

Remove line(s) 2172-2191

(12) AFFORDABLE HOUSING.--A district school board that certifies to the commissioner that all of the district's instructional space needs for the next 5 years can be met from capital outlay sources that the district reasonably expects to receive during the next 5 years may provide affordable housing for teachers and other district personnel independently or in conjunction with other agencies as described in subsection (5). State funds and funds received pursuant to ss. 1011.62 and 1011.71 shall not be used to provide affordable housing for teachers or other district personnel.
