18	Section 5. The Legislature finds that providing
19	affordable housing is vitally important to the health, safety,
20	and welfare of the residents of this state. Furthermore, the
21	Legislature finds that escalating property values and
22	development costs have contributed to the inadequate supply of
23	housing for low- and moderate-income residents of this state.
24	The Legislature further finds that there is a shortage of
25	sites available for housing for persons and families with low
26	and moderate incomes and that surplus government land, when

28	Therefore, the Legislature determines and declares that this
