The Committee on Governmental Oversight and Productivity  
(Argenziano) recommended the following amendment:

**Senate Amendment**

On page 4, line 29, through page 5, line 3, delete  
those lines

and insert:

(c) State agencies shall provide information and  
assistance to the council upon request, and political  
subdivisions, municipal corporations, public officers, and  
school districts are encouraged to provide information and  
assistance to the council upon request.
