11 Senator Smith moved the following amendment:

13 **Senate Amendment (with title amendment)**

14 On page 12, lines 10 through 16, delete those lines

15  
16 and insert: Research projects funded by the department, a  
17 water management district, or the Department of Agriculture  
18 and Consumer Services to develop or demonstrate interim  
19 measures or best management practices shall be granted a  
20 presumption of compliance with state water quality standards  
21 and a release from the provisions of s. 376.307(5). The  
22 presumption of compliance and release shall be limited to the  
23 research site and only for those pollutants addressed by the  
24 interim measures or best management practices. Eligibility  
25 for the presumption of compliance and release shall be limited  
26 to research projects on sites where the owner or operator of  
27 the research site and the department, a water management  
28 district, or the Department of Agriculture and Consumer  
29 Services have entered into a contract or other agreement that,  
30 at a minimum, specifies the research objectives, the  
31 cost-share responsibilities of the parties, and a schedule
