The Committee on Community Affairs (Hill) recommended the following amendment:

Senate Amendment (with title amendment)

On page 7, between lines 7 and 8,

insert:

(d)1. The system shall study the feasibility of the establishment or recognition of zones for the purpose of allowing excavation within such zones to be undertaken without notice to the system as now required by this act when such zones are:

a. In areas within which no underground facilities are located.

b. Where permanent markings, permit and mapping systems, and structural protection for underwater crossings are required or in place.

c. For previously marked utilities on construction of one or two family dwellings where the contractor remains in custody and control of the building site during the duration of the building permit.
