### **I. Amendments Contained in Message:**

**House Amendment 1 - 665643** (body)

### **II. Summary of Amendments Contained in Message:**

**House Amendment 1** deletes “licensed” and inserts “certified” to correct the reference to an advanced registered nurse practitioner. an advanced registered nurse practitioner is “certified” rather than “licensed” under section 464.012, Florida Statutes, the regulatory provisions for advanced registered nurse practitioners. An advanced registered nurse practitioner must be licensed as a registered nurse as a prerequisite to certification as an advanced registered nurse practitioner pursuant to s. 464.012., F.S.
