The Committee on Health Care (Jones) recommended the following
amendment to amendment (514478):

Senate Amendment

On page 2, lines 21-24, delete those lines

and insert:

(11) The agency and the Medicaid Fraud Control Unit, in
conjunction with managed care organizations, must track and
publish on annual basis all Medicaid fraud recoveries by
provider made under this section. Such information shall be
submitted to the Department of Health by the provider pursuant
to the procedures under s. 456.039.
