The Committee on Environmental Preservation (Dockery)
recommended the following amendment:

Senate Amendment (with title amendment)

Delete everything after the enacting clause

and insert:

Section 1. Subsection (7) is added to section 373.196,
Florida Statutes, to read:

373.196 Alternative water supply development.--

(7) The South Florida Water Management district shall
develop recommendations on the feasibility of above ground
reservoirs to be constructed, operated, and maintained for the
storage of high level discharges from Lake Okeechobee to the
Caloosahatchee River. In developing the recommendations, the
district shall consider infrastructure necessary to transfer
water being discharged from Lake Okeechobee to a reservoir and
infrastructure necessary to construct, operate, and maintain
water production and transmission facilities for the purpose
of supplying water for multiple uses to the surrounding areas;
and shall identify state and local water resource development
