A bill to be entitled

An act relating to county funding; amending s. 218.23, F.S.; reducing the revenue-sharing distributions for certain counties; repealing s. 985.2155, F.S., relating to shared county and state responsibility for juvenile detention; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (3) of section 218.23, Florida Statutes, is amended to read:

218.23 Revenue sharing with units of local government.--

(3) The distribution to a unit of local government under this part is determined by the following formula:

(a) First, the entitlement of an eligible unit of local government shall be computed on the basis of the apportionment factor provided in s. 218.245, which shall be applied for all eligible units of local government to all receipts available for distribution in the respective revenue sharing trust fund.

(b) Second, revenue shared with eligible units of local government for any fiscal year shall be adjusted so that no eligible unit of local government receives less funds than its guaranteed entitlement.

(c) Third, revenues shared with counties for any fiscal year shall be adjusted so that no county receives less funds than its guaranteed entitlement plus the second guaranteed entitlement for counties.

1 (d) Fourth, revenue shared with units of local
2 government for any fiscal year shall be adjusted so that no
3 unit of local government receives less funds than its minimum
4 entitlement.

5 (e) Fifth, after the adjustments provided in
6 paragraphs (b), (c), and (d), and after deducting the amount
7 committed to all the units of local government, the funds
8 remaining in the respective trust funds shall be distributed
9 to those eligible units of local government which qualify to
10 receive additional moneys beyond the guaranteed entitlement,
11 on the basis of the additional money of each qualified unit of
12 local government in proportion to the total additional money
13 of all qualified units of local government.

14 (f)1. With respect to the county revenue-sharing
15 program, the funds distributed under paragraph (e) shall be
16 reduced, in equal monthly installments, by the following
17 annual amounts:
