4 Be It Enacted by the Legislature of the State of Florida:

5
6 Section 1. Section 499.006, Florida Statutes, is
7 amended to read:

8 499.006 Adulterated drug or device.--A drug or device
9 is adulterated:

10 (1) If it consists in whole or in part of any filthy,
11 putrid, or decomposed substance;

12 (2) If it has been produced, prepared, packed, or held
13 under conditions whereby it could have been contaminated with
14 filth or rendered injurious to health;

15 (3) If it is a drug and the methods used in, or the
16 facilities or controls used for, its manufacture, processing,
17 packing, or holding do not conform to, or are not operated or
18 administered in conformity with, current good manufacturing
19 practices to assure that the drug meets the requirements of
20 ss. 499.001-499.081 and that the drug has the identity and
21 strength, and meets the standard of quality and purity, which
22 it purports or is represented to possess;

23 (4) If it is a drug and its container is composed, in
24 whole or in part, of any poisonous or deleterious substance

26 (5) If it is a drug and it bears or contains, for the
27 purpose of coloring only, a color additive that is unsafe
28 within the meaning of the federal act; or, if it is a color

4 below, the standard set forth in such compendium. The

6 in accordance with the tests or methods of assay set forth in
7 such compendium, or, when such tests or methods of assay are
8 absent or inadequate, in accordance with those tests or
9 methods of assay prescribed under authority of the federal
10 act. A drug defined in the official compendium is not
11 adulterated under this subsection merely because it differs
12 from the standard of strength, quality, or purity set forth
13 for that drug in such compendium if its difference in
14 strength, quality, or purity from such standard is plainly
15 stated on its label;

16 (7) If it is not subject to subsection (6) and its
17 strength differs from, or its purity or quality falls below
18 the standard of, that which it purports or is represented to
19 possess;

20 (8) If it is a drug:

21 (a) With which any substance has been mixed or packed
22 so as to reduce the quality or strength of the drug; or

30 or that has been purchased, held, sold, or distributed at any
31

1 time by a person not authorized under federal or state law to
2 do so; ~~or-~~

3 (11) If it is a prescription drug subject to, defined
4 by, or described by s. 503(b) of the Federal Food, Drug, and
5 Cosmetic Act which has been returned by a veterinarian to a
6 limited prescription drug veterinary wholesaler.

7 Section 2. Subsection (1) and paragraph (d) of
8 subsection (2) of section 499.01, Florida Statutes, are
9 amended to read:

10 499.01 Permits; applications; renewal; general
11 requirements.--

12 (1) Prior to operating, a permit is required for each
13 person and establishment that intends to operate as:

- 14 (a) A prescription drug manufacturer;
15 (b) A prescription drug repackager;
16 (c) An over-the-counter drug manufacturer;
17 (d) A compressed medical gas manufacturer;

20 (g) A prescription drug wholesaler;
21 (h) A veterinary prescription drug wholesaler;
22 (i) A compressed medical gas wholesaler;

5 pharmacy wholesaler may not be issued to the address of a
6 health care entity or to a pharmacy licensed under chapter
7 465, except as provided in this paragraph. The department may
8 issue a prescription drug manufacturer permit to an applicant
9 at the same address as a licensed nuclear pharmacy, which is a
10 health care entity, for the purpose of manufacturing
11 prescription drugs used in positron emission tomography or
12 other radiopharmaceuticals, as listed in a rule adopted by the
13 department pursuant to this paragraph. The purpose of this
14 exemption is to assure availability of state-of-the-art
15 pharmaceuticals that would pose a significant danger to the
16 public health if manufactured at a separate establishment
17 address from the nuclear pharmacy from which the prescription
18 drugs are dispensed. The department may also issue a retail
19 pharmacy wholesaler permit to the address of a community
20 pharmacy licensed under chapter 465 which does not meet the
21 definition of a closed pharmacy in s. 499.003.

22 Section 3. Paragraph (g) of subsection (2) of section
23 499.012, Florida Statutes, is amended, and paragraph (h) is
24 added to that subsection, to read:

10 503(b) of the Federal Food, Drug, and Cosmetic Act.

11 3. The person is not permitted, licensed, or otherwise
12 authorized in any state to wholesale prescription drugs
13 subject to, defined by, or described by s. 503(b) of the
14 Federal Food, Drug, and Cosmetic Act to any person who is
15 authorized to sell, distribute, purchase, trade, or use these
16 drugs on or for humans.

17 4. A limited prescription drug veterinary wholesaler
18 that applies to the department for a new permit or the renewal
19 of a permit must submit a bond of \$20,000, or other equivalent
20 means of security acceptable to the department, such as an
21 irrevocable letter of credit or a deposit in a trust account
22 or financial institution, payable to the Florida Drug, Device,
23 and Cosmetic Trust Fund. The purpose of the bond is to secure
24 payment of any administrative penalties imposed by the
25 department and any fees and costs incurred by the department
26 regarding that permit which are authorized under state law and
27 which the permittee fails to pay 30 days after the fine or
28 costs become final. The department may make a claim against
29 such bond or security until 1 year after the permittee's
30 license ceases to be valid or until 60 days after any
31 administrative or legal proceeding authorized in ss.

6 with laws of the state in which it is a resident.

7 6. A limited prescription drug veterinary wholesaler
8 must comply with the requirements for wholesale distributors
9 under s. 499.0121, except that a limited prescription drug
10 veterinary wholesaler is not required to provide a pedigree
11 paper as required by s. 499.0121(6)(f) upon the wholesale
12 distribution of a prescription drug to a veterinarian.

13 7. A limited prescription drug veterinary wholesaler
14 may not return to inventory for subsequent wholesale
15 distribution any prescription drug subject to, defined by, or
16 described by s. 503(b) of the Federal Food, Drug, and Cosmetic
17 Act which has been returned by a veterinarian.

18 8. An out-of-state prescription drug wholesaler's
19 permit or a limited prescription drug veterinary wholesaler
20 permit is not required for an intracompany sale or transfer of
21 a prescription drug from an out-of-state establishment that is
22 duly licensed to engage in the wholesale distribution of
23 prescription drugs in its state of residence to a licensed
24 limited prescription drug veterinary wholesaler in this state
25 if both wholesalers conduct wholesale distributions of
26 prescription drugs under the same business name. The
27 recordkeeping requirements of s. 499.0121(6) must be followed
